hardly intelligible; the Boots on the Fisherman in  
the Arms of the false Bill appear much whiter than  
in the True, the shading Strokes being much more  
distant from one another than in the true Bill; the  
Letters in general thro' the false Bill appear larger  
and coarser than in the true Bill; the Letter Y,  
in the Word TWENTY at Top, in the false  
Bill, is shallower in the opening, and longer in the  
lower Part, than in the true Bill; and there ap-  
pears more white in all the Letters in the Word  
TWENTY, in the false Bill, than in the True;  
the Asterisk after XX. S. at the Bottom is much  
larger than in the true Bill; the Signers Names  
are doth pretty well; the Paper of the false Bills  
is thicker and coarser than the True; and the  
Word MARYLAND at the Bottom of the Bill,  
is mark'd on the Back, instead of being stamp'd  
in the Paper as all the true Bills are.
