*Extract of a Letter from a Gentleman in New-London, in Connecticut, Sept. 17, 1755.*

The Two Thousand Additional from this Colony have all been marched several Days ago. They went on Horseback, and 'tis supposed that most of them reached the Camp at Lake George this Day, and that the Remainder will be there by Sunday Night. There is now about 60 Persons of this, and the neighbouring Towns, who have engaged to go to the Army as Volunteers; and continue the Campaign without Fee or Reward, provided they can be supplied with Ammunition and Provisions. These Men are in general considerable Farmers, of good Interest, and who live well. They have chosen their Officers, and I am in Hopes will set off on Monday next. We have in this little Town subscribed near 300 l. York Currency, towards fitting them out, and whenever they set out I shall forward a Subscription Paper to you, to procure Assistance from your Place, towards furnishing them with Provisions and Ammunition."

Last Wednesday and Thursday Evenings we had Bonfires and Illuminations, and many curious Fire-works plaid off, on Account of General Johnson's Victory over the French near Lake George.

Yesterday there was a general Review of the two Regiments and the Independent Companies, now encamp'd near this City. One of the Field Pieces was discharged ten Times in less than a Minute.

October 2. Since our last Capt. Rankin arrived here from Bourdeaux, who informs us, that on his Passage, off of Cape-Ortugal, he met with a Fleet of 16 Sail of English Line of Battle Ships, and 2 Frigates, under the Command of the Admirals Hawke and West; but where they were bound he could not inform himself.

Yesterday the Forces, under the Command of Col. Dunbar, marched for New-York.

We hear that 500 new Small-Arms, with proportionable Ammunition, have lately been imported by the Committee of Assembly, and sent up to the Frontiers for the Defence of the Inhabitants.

ANNAPOLIS, October 9.

We learn from Fort-Cumberland, that as Col. Stevens was going thence, with a small Party of Men, to Winchester, he was fired on at two different Places by some Indians that lay-concealed by the Road's Side; Two of the Virginians were killed, but the Enemy did not choose to stay for their Scalps.

By a Person who arrived in Town last Monday from Col. Cresap's, we are told, that last Wednesday Sen'night, in the Morning, the Indians had taken a Man Prisoner, who was going to Fort-Cumberland from Frazier's, and had also carried off a Woman from Frazier's Plantation, which is four Miles on this Side Fort-Cumberland. The same Morning they fell in with a Man and his Wife, who had left their Plantations, and were retiring into the more populous Parts of the Country; they shot the Horse on which the Man rid, but as it did not fall immediately, he made his Escape; as neither the nor the Horse on which she was riding, have been since seen or heard of. The same Party of Indians have also killed or carried off Benjamin Rogers, his Wife, and seven Children, and Edmund Marle, of Frederick County. On Patterson's Creek many Families have, within this Month, been murdered, carried away, or burnt in their Houses, by a Party of these Barbarians, who have entirely broke up that Settlement.

Another Person, who left Stoddert's Fort last Sunday, acquaints us, that the Inhabitants of that Part of the Country were in the greatest Consternation; that near 80 Persons were fled to the said Fort for Protection, and many more gone off in the greatest Confusion to Pennsylvania: This, it seems, has been occasioned by an Express that was sent Lieutenant Stoddert and the Neighbourhood, by Col. Cresap, advising them, that a Party of 17 Indians had passed by his House, and had cut off some People, who dwelt on the Town-Creek, which is a few Miles on this Side Col. Cresap's: One Daniel Apsloff, who lived near that Creek, is come down towards Conococheague, and gives the same Account. He says also, that as himself and Eather, with several others, were retiring from their Plantations, last Saturday, they were attacked by the same Indians, as he supposes, and all but himself were killed, or taken Prisoners. It is said that Mr. Stoddert, who has a Command of 15 Men, invited a few of the Neighbourhood to join him, and to go in Quest of the Enemy, but they would not be persuaded; whereupon he applied himself to Major Prather for a Detachment of the Militia,

either to go with a Party of his Men in Pursuit of the Savages, on Garrison his Fort, while he made an Excursion. We hope there will be no Backwardness in the Militia to comply with such a reasonable Request, especially as any Party or Person that shall take an Enemy Prisoner, will be rewarded with Six Pounds Currency; and the Person who will kill an Enemy, with Four Pounds, provided he can produce Witnesses, or the Enemy's Scalp, in Testimony of such Action.

At the Assizes last Month, in St. Mary's County, Negro Harry, and Negro Cork, were indicted, found guilty, and condemn'd, for attempting to poison the late Dr. John Key, of that County, deceased.
