THE Public are caution'd to be aware of some Counterfeit Bills, in Imitation of the Twenty Shilling Bill of this Province, as some of them may possibly be now passing. They differ from the true Bill in the Coat of Arms, the false ones being much coarser in the Strokes, than the true Bills; and the Motto in the false Bills being hardly intelligible: the Boots on the Fisherman in the Arms of the false Bill appear much whiter than in the True, the shading Strokes being much more distant from one another than in the true Bill; the Letters in general thro' the false Bill appear larger and coarser than in the true Bill; the Letter Y, in the Word TWENTY at Top, in the false Bill, is shallower in the opening, and longer in the lower Part, than in the true Bill; and there appears more white in all the Letters in the Word TWENTY, in the false Bill, than in the True; the Asterisk after XX. S. at the Bottom is much larger than in the true Bill; the Signers Names are done pretty well; the Paper of the false Bills is thicker and coarser than the True; and the Word MARYLAND at the Bottom of the Bill, is mark'd on the Back, instead of being stamp'd in the Paper as all the true Bills are.

By Order of the Commissioners,

RICHARD DORSEY, Clerk of the Paper Currency Office.
