

Time the poor Court of Drifden will be a great Sufferer by the Invasion of Saxony made in a Manner never heard of before; and which, surely is not calculated to augment the Number of the King of Prussia's Friends among the Princes of Germany.

ANNAPOLIS, February 3.  
A few Days since, at a Negro Quarter belonging to Mr. John Emory, senior, in Queen-Anne's County, a valuable young Negro was scalded to Death, and a Negro Woman much scalded, by the falling of a Pot that was hung over the Fire by a Wooden Pot-Rack, which, through Carelessness had been suffer'd to burn almost off, so that it broke with the Weight of the Pot. Some Time ago, in another County, by a like Accident, a Number of Negroes were Scalded, some of which Died; and Accidents of this Kind being frequent, might be a sufficient Caution to others, not to truit too much to their careless Negroes, or induce them to get Iron Pot-Racks, as they would cost much less than a good Negro.

Some Time ago, in Hunting Time, a Man in Frederick County, having made himself a Jacket of the Skin of a Deer, with the Hair and Tail on, went out to Hunt for Deer, and as he was creeping through some Bushes in pursuit of Prey, was seen by another Hunter, who, taking him for a Deer, fired at him, and shot through the Skin, but happily did not kill. [It is not improbable but he might wear the Horns as well as the Tail.]
