In a late REPRESENTATION,  
To the LORDS of the A-----Y.  
(By a young Lady of Fifteen.)

My LORDS,  
TIS the humble Opinion of us the Court of all Courts most surely impartial, that at A-----L B----- his utmost did not engage—and judge him for that to be that to palliate his Crime with Deference to his Sentence Distinctions quite subtle and new, that 'twas prov'd he ne'er shew'd any Tokens of Fear,  
And how the Plague could be—so far in the Realm, at clearly to us he appears in this Light: at a Coward but only d--d backward to Fight, more clear to refine it, we've shewn, in Effect, be backward in Fighting is but a Neglect: that tho' we've condemn'd him, for Mercy we pray, at his Case be our Case, as it certainly may.

BOSTON, April 11.

The General Assembly have, in their present Session, passed an Act to prohibit the Departure of all Ships and Vessels from any Port or Place within the Province; and all Fishing Vessels, such as are not usually absent more than five Days at a Time, until the 20th Day of April next, without special Permission from his Majesty's Council, or the major Part of them, on Penalty of forfeiting One Hundred Pounds, to be paid by the Master, and the like Penalty to be paid by the Owner or Owners of every such Ship or Vessel departing as aforesaid: And Provision is made in said Act, that his Majesty's Council, or the major Part of them, shall, if they see fit, strengthen out the said Embargo, to the First Day of June next. And on the 7th Instant the Council issued a Proclamation, giving public Notice of said Act, requiring Obedience to it.

Last Monday Night died at his Seat in Cambridge, after a few Days Illness, the Honourable GENERAL PHIPPS, Esq; Lieutenant-Governor and Commander in Chief of this Province, the 74th Year of his Age; and on Saturday his Burial was very honourably entomb'd, being attended by his Majesty's Council, and many of the Members of the House of Representatives, and a great Number of Civil and Military Officers, with other Gentlemen of Distinction. The Regiment of Militia of the County, and the Company of Artillery of this Town, attended the Funeral, and every Part of the Ceremony was performed with the greatest Order and Regularity. During most part of the Day, all the Bells in this Town were rung, and about Four o'Clock in the Afternoon, twenty half Minute Guns were fired at Cambridge, as were a like Number at each of our Batteries, and Fourteen at Charlestown: These together, made the Number 74, equal to the number of Years of his Honour's Age; after which the Snow Prince of Wales, Capt. Dowling and 14 Guns.

NEW-YORK, April 18.

Last Sunday Se'night, the Captains Stewart and Hale arrived here in 31 Days from Jamaica, from whence they sailed in Company with his Majesty's Ships the Princess Mary of 60 Guns, Humbly of 40, and the Sphinx of 40 was to follow the next Day: 'Twas said they were to be joined by his Majesty's Ship the Greenwich, Capt. Roddam, of 50 Guns, then out on a Cruise, when they were to proceed for Port Louis, on Hispaniola, in order to cut out a French Indianman that had been in there. They had Advice at Jamaica, that a Packet from England for the West-India Islands, an English Guineyman, and a Store-Ship bound to Jamaica, were all carried into Port-Louis by some of their Privateers.

Monday last Capt. Stewart, in a Schooner, arrived here in five Weeks from Honduras-Bay, and informs us, that an English Man of War commanded by Capt. Forrester, came up there from Port-Mahoo, with a Number of English Prisoners that had been carried into that Place by the Spanish Guarda Costas; and was to sail in a few Days, in order to cruise off the River Mississippi.  
The same Day likewise, the Billender Adventure, of Dartmouth, John Bastard, Master, arrived here in 6 Weeks from Lisbon, by whom we learn, That out of nine Newfoundland Ships that were bound up the Straights, eight were taken by the French, off Alicant, and that hardly an English Vessel, bound up that Way, escapes being taken.

Tuesday last arrived here his Majesty's Sloop of War Vulture, Capt. Scarfe, from Halifax.  
Wednesday arrived here the Garland Man of War, Capt. Arbuthnot.  
Since our last Capt. Seymour arrived here from Bermuda, and informs, That one Capt. Harvey had arrived there, and reported, That on the 24th of March, off the West Caucas, he spoke with the Brig Johnson, Capt. Grigs, the Brig Hawke, John Alexander, and the Sloop Sally; Richard Harris, all of and from New-York, who acquainted him, That Nine Sail of French Men of War were arrived at Cape Francois, and on their Passage from Old France, off Cape Samana, they had taken an English Man of War, called the Greenwich, Robert Roddam, Commander; and that a few Days before they heard of the Arrival of the French Fleet, they looked into the Harbour of the Cape, and saw about 50 Sail of Vessels at Anchor, all deep loaded, as they learnt, and only waiting the Arrival of the before-mentioned Fleet to convey them out, all of whom the Privateers were in Hopes of seeing.

Wednesday last returned here from a Cruise, the Privateer Brig Prince George, Capt. Murray, and Snow Dreadnought, Capt. M'Hugh; and Yesterday a Prize Snow arrived, taken by Captain Ball.  
PHILADELPHIA, April 21.  
From Jamaica there is Advice, that the Governor of that Island, and the Admiral stationed there, have received Orders from Home to protect the Trade in the Bay of Honduras; and that the Wager Man of War, Captain Preston, was dispatched accordingly to notify the same; That Trade, it is said, was never more open, nor carried on with greater Success, than at present.  
A Letter from Fort Cumberland, dated the 28th ult. mentions, that they were informed there by a French Prisoner, that two of their Men, who went out with some Catawbas in November last, and supposed to be killed by the Enemy, were to have perished by the Cold, are Prisoners with the French at Fort Duquesne: And that they daily expected 100 Catawbas, and 100 Cherokees, at Fort Cumberland.

We hear from Lancaster, that a Gentleman of that Place is lately come from Winchester in Virginia, and advises, that 125 Catawba Indians had been there, and were all marched for Fort Cumberland; among whom was King HIGLER, who swore Revenge on the French for the Loss of his Son, he being killed by them last Winter: Also, that they expected to be joined by a large Body of the Cherokees, a Number of whom had been seen on their Way to the Fort.  
We likewise hear from Lancaster, that about 200 friendly Indians are come down there, in Consequence of the Treaty that is soon to be held by this Government and them.  
An Ox was lately brought to this Market, whose four Quarters weighed 16.7 Pound Weight; the largest ever killed in America.

ANNAPOLIS, April 28.

Friday last, Capt. Thomas Gantt was chosen a Representative for Prince-George's County, in the Room of Mr. John Hawkins, junior, deceased.

We hear that Mr. Edward Oldham is elected in Talbot County, in the Room of Mr. James Edge, deceased.

The General Assembly of this Province is yet sitting at Baltimore-Town; but it is said will break up the latter End of this, or Beginning of next Week.

After a diligent Enquiry into the State of the Small-Pox, in this Place, we cannot learn that it is in any more than Three Houses in Town, except the Two Houses of French Neutrals: And 'tis very probable that in Two or Three Weeks at furthest, we shall be quite clear of that Distemper.

THIS GAZETTE, No. 625, begins the Thirteenth Year of its Publication; and those Customers who have encouraged it, by PAYING yearly, or as often as Demanded, are desired to accept the Publisher's very hearty Thanks. BUT, Those who are in long Arrears, are requested to pay off their Accounts, before next October, or they will have no more Papers sent them, and some Methods used to obtain their Arrearages, which are vastly disagreeable and very expensive.

THE Subscriber having by a great Application acquired a reasonable Knowledge of the ENGLISH GRAMMAR, he proposes to Teach the same at the FREE SCHOOL of Annapolis. Those Parents who cannot afford their Children spending several Years in the learning of Greek and Latin, may, by this Proposal, procure to them the only Benefit commonly expected from these Languages, THE LEARNING OF THEIR OWN: Besides, their Daughters can as easily enjoy the same Advantage. As he does not take upon himself to Teach English Pronunciation (which will be Taught, as usual, by Mr. Wilmot) he hopes no judicious Person will make any Objection to his being a Foreigner; and that, as his Proposal is of a self-evident Advantage to Youth, he will meet with good Encouragement. His Terms are very moderate, being only Thirty Shillings, additionally to what is allowed to Mr. Wilmot.

WILLIAM CLAYTON, mot.  
N. B. This will make no Alteration to the Price given me for Teaching French, Latin and Greek.
