THOSE who, for Want of Assurance, or Want of Modesty, have been so *baseful* as not to regard the kind Admonition lately given them in so many GAZETTES, are now desired to pay in Cash what they owe to Messieurs CUNLIFFE's Concern at Oxford; for the Tobacco, I presume, is in the Ground, and in that Condition it no longer pays Debts. They have hitherto been invited to pay with Wheat, Tobacco, and almost every Way the most indulging to them.

Since the Discontinuance of that Advertisement, I have indeed already called upon several of them, in the Way best suited to the Constitution of the Country: To the Rest I intend to allow 5 Weeks from the Date of this Public Notice; after the Expiration of which, if they do not comply, they may take to themselves five Courts according to Custom, and then petition for an Act to pay off in Oyster-Shells at 25 per Cent. more than they are worth. The Persons to whom this is addressed, understand me well, and perhaps will allow I now speak plainer English than I have hitherto done: They never had so much Patience with one another, as I have had with them.
