

she was very deep loaded with Provisions, Warlike Stores, &c. The Captain said, she was the most valuable Ship that had sailed from France for Quebec; this War. This Account may be depended on, as the Eagle had taken the Ship Nugent of Bristol on the 1st of July, bound to Boston with Bale Goods, &c. They burnt the Ship, and 23 of the Crew were on board the Eagle at the Time she was lost. Seven of the Englishmen took away a Boat in the Night, and left them, and in twenty Days arrived at an English Settlement, on Newfoundland. By their Calculation they were eighty Leagues within the Straights, and not far from a Place where the French have a Seal Fishery, when they left them. The Frenchmen were waiting for a Vessel, coming from Quebec, to take them in, a Boat having been dispatched away for that Purpose."

January 25. On Sunday, the Seventh Instant, the House of Moses Dickey, in Paxton, Lancaster County, was burnt to the Ground, when his Wife, one Child, and a Person that work'd with him, were burnt to Death; another Child, by jumping out of a Window, broke its Thigh Bone; and a Third so badly burnt, that it was thought it could not live. Mr. Dickey was the only Person that escaped, but not without being a good Deal scorched. He lost likewise several Hundred Pounds in Money, and every Thing that belonged to the House. His Mill and Outhouses were saved.
