**FOR PRINTING BY SUBSCRIPTION, A COMPLETE BODY OF THE LAWS OF MARYLAND**, to the 25th of December, 1758.

By the Reverend **THOMAS BACON**.

**1.** **T**HE proposed Edition will contain all the **ACTS OF ASSEMBLY** of this Province in Force or Use, to the Period aforesaid, printed in Folio on a good Paper, and a beautiful new Type.

**2.** The several Sessions will be distinguished by their proper Dates, Names of Governors, &c. The Titles of all the Acts inserted in their due Order, as recorded in the Secretary's Office, with Reference to the Records where they may be found; and an Account of their several Continuations, and Time of Expiration or Repeal of such as are expired or abrogated: The Sessions in each Year to be divided into Chapters, and the Chapters into Sections, with Numbers, for the easier Quotation of any Laws in Being.

**3.** Ample marginal Notes will be printed, with Reference to any subsequent Law, whereby a Paragraph may, in any wise, be affected or altered: And an accurate Common Place, or short Alphabetical Abridgment, will be added, whereby the

Whole, relating to any one Article, may be easily seen, and turned to in the several Acts at large.

The Editor having laid the foregoing Scheme of the Work, together with a large Specimen, before the General Assembly, the same was referred to a Committee of the Honourable Lower House; who, upon Consideration thereof, and Examination of the Editor, were pleased to report, among other Matters relative thereto, "That the Publication of a Body of Laws of this Province, in the Manner proposed, would be of great and general Utility. That three Gentlemen be nominated and appointed by Law; who, with the Assistance of the Editor, and all his Abstracts and Papers, &c. shall inspect carefully the Records of the Laws, and consider what are in Force, or proper to be inserted, or any way taken Notice of in the said Body." And that the Editor's Proposal, to deliver Eighteen Copies of the said Body (for the Use of the several Courts, &c.) for £. 300. Currency, is reasonable; provided they be delivered within Eighteen Months from the Time the Original may receive the Approbation of the Gentlemen to be nominated as aforesaid; &c. with which Report the House was pleased to concur.

As the Work is very large, and will, on Computation, cost the Editor upwards of £. 1200 Current Money, in Paper, Printing and Bindings; and as the Number of Subscriptions must determine the Number of Copies to be printed; It is proposed,

**I.** THAT the Price to Subscribers shall be Forty Shillings Current Money for each Copy: One Half to be paid down at the Time of Subscription, and the other Half upon the Delivery thereof, neatly Bound in Calf, and Lettered.

**II.** THAT the Names of the Subscribers shall be printed, as Benefactors, and Encouragers of so useful and necessary a Work.

**III.** THAT a very few Copies more than are subscribed for, will be printed; which remaining Copies will be sold at an advanced Price. So that Gentlemen who neglect subscribing, will not only pay more, but run the Risque of being unsupplied at any Price whatever.

**IV.** THAT as the Materials must be imported from England, and the Quantity necessarily ascertained, before Orders can be given; Gentlemen willing to encourage the Work are desired to subscribe as speedily as possible, that the Publication thereof may be forwarded with the utmost Expedition.

**V.** THAT the Subscription will be closed some Time this Month, that timely Orders may be given for the Importation of Paper and other Materials: Nor will any Money be drawn out of the Hands of the Gentlemen who receive Subscriptions till such Orders are given. So that in Case of the Editor's Death, or other Accident, preventing the putting of the Work to Press, the Subscribers may have their Money returned; by the Gentlemen to whom they paid the same.
