 By **JAMES BISSET**, Attorney at Law,

AN Abridgment and Collection of the LAWS and ACTS of ASSEMBLY of the Province of MARYLAND at present in Force, with a small choice Collection of Precedents in Law and Conveyancing, calculated for the Use of the Gentlemen of the Province of *Maryland*.

As Abridging might alter the Meaning of the Enacting Clause, the first proposed Method is laid aside, and every Act containing any material Law is inserted and given in Full, in the very Words of, and carefully copied from, the original Act; nothing being Abridged but the Preamble, general Form of the Enacting Part of the Act, and the Form in every Penal Act of applying and recovering Fines.

There is a very full Index, a Table of the Acts inserted, and a Table of the expired and repealed Acts, and every Clause in any Act at present in Force, that has, by any subsequent Law, been repealed; mentioning when they expired, and the Acts whereby they stand repealed; so that upon comparing the Tables, any Person will directly see, that no material Law is omitted, nor any expired or repealed Act inserted.

The Precedents are alphabetically digested, great Variety given, such chosen as are fresh from *Tautology*, with a Number peculiarly adapted for *Maryland*; such as, Acknowledgments of Deeds, Probates of Causes of Action, Forms of Distraining for Rents; Superdedits for Stay of Execution, &c.

Yesterday an Express arrived from the Holland Coast, to give us which causes much Speculation, &c. Fact.

In destroying the Austrian Magazine, the Wind drove the Flames, which reduced it to Ashes, to the great advantage of the British. The following Circumstance is to be noted: Just as he was making the Assault of the Enemy with great Composure, *Comte de Saxe-Coburg*, let him fall pronounced these Words, when he in his Breast, and expired, immediately off his Body in a Chair to his Ancestors.

We hear that the Right Honourable, one of the Lords Commissioners
