come up with this, and which it was believed the would be come up with. We be as Capital Paylor has confined thin Sloop's Company, for firing into the Majethy's Ship. These Welles are imposed to be Part of feven, which sailed from Mittingo jall leider the History Fag of Truces.

Capital Solley, who falled from hence about to Days aro, for North-Creature, wast aften y few Lasguer to the North-Ward, and is returned in an English Flag of Truce which arrived from Martinico on Thurday; together with Capital Wyat, who was taken in Sight of Peint-Petre, in a Sloop belonging to this Place, and many others; but a complete Lift of the Prizes lately carried into Mirtinico, we have not yet received, the call the Prifesers agree, that yet so, have been earned in time the Middle of Janiary; and, what adds to the Sting of this bitter Account, we have the Mortification to find, that the bravel Men have falled a Blitting to this common Calamity. The Defence many of our Merchantmen made, would have done Honour to Men in a much higher Stalion; but is particular, the Cafe of Capitain Poppleton, of the Ship Griffin, from London; mores our Pity and Regard? When 4 Boys, and 4 Pafengers in his Ship; when he was attacked with great Futy by two Privateers together, both of which he beat, and, with great Slaughter, obliged them to run away; but the Day following, before his Darmages could be repaired, two others the one defeated and conquered, than at ready to receive a fopenior Foe; but Courage fupplihis Ship looked more like one defeated and conquered, when his Ship looked more like one defeated and conqueted, than at ready to receive a superior Foe; but Courage supplied eyery Want; one of these he reduced to a Wreck, and the made off; and the Boltsprit of the other was carried sway, when a Fire-Ball; thrown in at his Cabbin Window, blew up his Ship, and himself perished in the Flames; only 10 of his People being fared.

A French Flag of Truce arrived here Yesterday with Englishment of the people being fared.

lift Prifoners, by whom we learn, that M. Bompar has cer-tainly left Martinico, but whither he is gone is uncertain.—

tainly left Martinlco, but whither he is gone is uncertain.—
It is faid his Ships are almost filled with Sugars.

CHARLES-TOWN (in SOUTH-CAROLINA) July 7.

On Wednesday last put in here for a Supply of Water, the Ship Black-Prince, of Bristol, Captain William Miller Commander, from the Coast of Angola, with 500 Negroes, bound for Virginia. Capt. Miller says, his was the only English Vessel that had been upon that Coast this Year; but he left six large Ships there, under Dutch Colours, supposed to be bound for the French West-India Islands.

The Ship Polly, Capt. Hamilton, and the Ship Mercury, Capt. Ingledieu, both of Bristol, were lately lost on the Coast of Africa.—Captain Hamilton was defined for this Port with a Casto of Slaves.

of Africa.—Captain Hamilton was defined for this Port with a Cargo of Slaves.

A Sloop commanded by a Brother of the above Captain Ingledieu, Slaving up the River Gambia, was attacked by a Number of the Natives, about the 27th of February laft, and made a good Defence; but the Captain finding himfelf desperately wounded, and likely to be overcome, rather than fall into the Hands of such merciles Wretches, when about So Negroes had boarded his Vessel, when about his Migasine, and blew her up; himself and every Soul on beard perilhed.

The Snow Perfect, Capt. William Potter, of Liverpool, sound for this Port, is also cut off by the Negroes in the

bound for this Port, is also cut off by the Negroes is the River Gambla, and every Man on board murdered; the

Vessel lost.

The Upton, Capt. Birth, a Letter of Marque Ship of Liverpeol, on her Passage to the Coast of Guiney, off the Canaries, took a French Bark, valeed at acool. Sterling.

HALIFAX, June 30.

Cory of a Letter, taken in a Prize by Admiral Durell's Soundron.

Dear Brother in Law, Quebet, April 30, 1759.

A The Letter you favoured me with, of the roth of January, I received with the greatest Pleasure; I am charm'd gen bave get the better of your Sickness, and are in so fair a Way of Recivery: I hope the little Tour you have made to St. Augustine best had the defined Effect: If your Winter the provide midencially, eart, I assure you, has not been gay; we have been reduced to a quarter of a Pound of Bread, per Day, and have often had me Meet at 'all; 'har the Worst it, 'our Misser the Bread, at present it is a Misser at the Isla Winter sold for not to 22 Sour the Pound, at present sold will fell for 2 Livres a Pound, Power and Duckt are above any Price; Cain sold for the Univers. When 180 Livres a Hopfheadt: A Cow has commonly fold for a 50 Livres. In a Word, every Thing is about Price; 'Tis a most melanchely Circhenstant to think what will become of at 3 is it is my Opinson, if Peace does not immediately take Place, or great Successificat ut from France, our Colonia had much better submit to the Rughift chair continue in their origins. BOSTON: 17619.

Salunday last Capt. Ayers arrived here in a Weeks from London, but last from Gravelend, which he left the 14th of May, by him we learn, that the Errench are fitting out a powerful Fleet at Breft, confisting of as Ships of the Line, and mear one Hundred Sail of Transports, with Troops on board. That it was imagined they defigued a Defects on England or Ireland, where the greatest Preparations were making to receive them, should they be so lucky as to get to either Plate, which twas doubted, as we had a Number of Cruirers out, in order to give Intelligence to Admiral Hawke, who lay at Torbay with 25 Capital Ships, who was immediately to put out and sollow them. And, that just before he sailed they had Advice of one of our Erigates having the safe of the Iro Pimouth.

We hear from Kittery, that Sir William Pepperell, Barted,

ing taken a French Ote of 24 (the Tvolstein, Sie her into Plymouth, We hear from Kittery, that Sir William Pepperell, Bart, died there last Friday Morning, in the 63d Year of his Age, after i long Indiposition.

A Letter from Halifax, 'dated June 29, fays, we have certain Intelligence that the Fleet has got up the River as far as the Island of Cudre, which is but 9 Leagues below Quebec.

N E W - Y O R K, July 16.

By the Albany Post, who came in last Night, we hear, That an Express arrived at Albany from Lake-George on Thursday Morning last, and reported, that the Army continue in high Spiriu; and every Thing was preparing for a speedy crossing of the Lake; And that a Party of 50 Men, under the Command of Capt. Jacobs, had been out upon a Scout from our Camp, and had returned with the Lose of 6 or 7 bf them. The Manner in which he lost them, we have not heard.

Part of a Letter from the Comp at Lake-George, dated July 20.

"We sent out a Scout of 30 Indians, under Captain Jacobs, three Days 290, who after having reconnoitered Ticonderogs, on their Return were in the first Narrows pursued by 7 Bark Canoci, and only elèven of the Party are yet come in; the rest, we fear, are either killed or taken Prisoners."

sued by 7 Bark Cancei, and only eleven of the Party are yet come in; the reft; we fear, are either killed or taken Priforners.

Extract of a Latter from Albays, dated July 12, 2759.

"We have ferveral Accounts from Olwego, by Letter's dated the joth of June, that General Prideaux, with accounts, and 670 Indians, was to embark the next Day for Niagara; they were to be joined by 500 Indians more at a Creek a little diffant from Olwego.

On Monday last arrived here three Transport Vessels, having on board a Number of Highlanders for Frisher's and Montgomery's Battalions. They came from Scotland but list from Virginia, where they arrived forne Time since.

Friday last Capt. Carman rassed by here in his Way at a Amboy, in 40 Days from Madieira, who informs us, that a Ship had arrived at Madeira from London, the Day before he came away, and brought a certain Account of three French East-Indiamen being taken in the English Channel.

Yesterday arrived there the Rye Man of War, from St. Kitts, and brought under Convoy of Transports, and an Hothital Ship, having the ad Battalion of the Royal Highlanders, with about 6 or 700 Draughts on board.

PHILAD ELPHIA, The July 10.

Since ear last we bave been severated with the following Letters—(of good Authority) from Pittsburgh, June 26, 7759.

"Netwithstanding the late Stories, propagated by Jame Indiamen, of Rivistoricants arrived at Venange, I bave the Plankre

of informing you, that no great Danger need be suspected from
that Quarter. riendly Indians daily arrive here; and, by their Speeche

and Behaviour, make it plain that they are defirous of living with it is spon amicable Terms. The Wyandar, particularly, professive greatest Principling, wish to may take Rost an this Spot 1 and complain grieventhy of the French Impositions in Point of Trade.

Spis I and complain grievously of the French Impositions in Point of Trade.

"Captain Groghan cloathed, a few Days ago, 189 Indians, and frew of these were without Skins to trade without hespectually for the Europe was Indian Interest gain Strength every Day; and, were the Bump once disolged from the Ohio, farrety an Indian will be found to fland out against the beneficial Terms proposed for their ideogramen. Shingas were with the Beavire, in storming in, that a confiderable Number of the Chief Men of all their Allies where in the Rand to Saxinch, there as held a Conference, before they treat here, he white Place we are to find them Provisions. We took daily for the Arrival of the Army. The Garrison is thigh; employed in properties Shede for the Indians, and in proper Garden for the Winter. We have not about any Menter, are nown all wary heavy, and able to vie, in Stringth and Spirits, with any Troops in the Campaign."

Another Letter from Pitshungh, of the same Data with the Army lent from hence the 18th Inflain to Venkingo for Intel-

"Two Indian Mellergers arrived here from Chiness, a Town belonging to the Seneral, who say, that the Six Na-tions were all in Aims, and had sent a War Belt to Sir Wil-liam Johnson, to proceed with all the Mohrvica, Ouesdoe, Enteriors, Mohrchanders, and Nanticoker, with the ohnlon, to protect with all a torse, Mohielessders, and a Troops, immediately toward

tions were all in Aims, and had fent a Wei Belt to Sir William Johnson, to proceed with all the Mohawka, Onesdoes, Taliantors, Mohickassers, and Nahisokers, with the King'i Troops, immediately towards Niegers, to reduce that Fortries; and fall, they were ready to Join thin on the Lake, with the three croses Nations, viz. Senecus, Onesdoes and Cayona ? that this Mediag was foun ten Days are, and they are the Sir William was their near Olysags to that this Day they integers were likewise chapted with a Mediage to all the Netices on the Ohio, to make seady to Join the Sir Nation's upon the first Notice they thould receive from them, in order to cut off all the French on this Side the Laket;

"Upon receiving this News, we faminated a full Combine, they will be fame; they reterred it with termine Pleasure, and we believe with Sinchtly's and A appears to us, that we only what a few Triops, and Fromions, to be able to go and take the Form on this Side the sink will from be very numerous, as the Great Council with all the Western Nations will take Place them in eight Days at farthest."

"Yesterday arrived here up Delawares from Venango, who inform, that they parted two Days seo, set the Kittawa's all their Forte to Venango from Prifuge-Ille and Beuf River, to make up this Party of Indians; ind they report that there are goo more Indians coming over, the Lakes; but neither we not the Indians believe it. Westers good Spics out, so that the Enemy cannot fiir from Venango without our Knowledge. Upwards of 400 Indians, of different Nations, have been lattly cloathed here, and they feem all very well pleased. The Delawarer; Shawarner, and all the other Nations, on this Side the Lakes, are bufy drawing their People from the Renewy and To-mostor we he Beiver, with fewers Chief, at Bendmys and Thenter returned to Camp, and reported that they had not feen the leaft Sign of the Enemy; upon which, in Compliance with the Royal Americans, to Bedford; at the Party was but finall, ordered a Serjeast and 33 choless Woods-Men, to condul

had marched, the Enemy made an Attempt to surprise this Post. I cannot ascertain their Numbers, but am certain they

Post. I cannot ascertain their Numbers, but am certain they were confiderably superior to ours.

"At first, I imagined the Enemy only intended to amuse the Garrison, whilst they were engaged with Lecutenant Blane's Party; but finding the Place invested in an Instance and the Enemy push pretty briskly, I began to entertain thoses of their Safety, and was only anxious for the Serjeans and 18 Men.

"The Enemy made an Effort from every Quarter, but the Fire on the first Redoubt was hottest in R Capti Jones was builted.

the Fire on the first Redoubt was hottest; in it Capti Jones was killed.

"We are extremely obliged to Lieutensiat Mitchellon, of the Artillery, for his Vigilance and Application. After a few, well played Shells, and a brisk Fire from the Works, the Enemy, retired into the Skirts of the Woods, and continued their Fire at a Diffance till Night.

"The Serjeant (Packet, of the Virginians) returned about Sun-Set, without seeing an Enemy; until he came within Sight of the Fort. The Party behaved well, fought until they had Orders to betreat, and got in without the Land of a Man.

fan.
"The Enemy never molefied us in the Night.) Parties of them have flown themlelves in the Shirts of the Woods, and hird at a Diffance To-day, without doing us

Woods, and firid at a Diffance To-day, without doing he any Hart.

"We were happy in faving the Bullock Genral, and Catable is and all the Heries, employed in the public Service, were luckily returned to Bedford. I have not heard from Pittiburgh fince the first Infast, where the Capatins Woodward and Morgan then arrived with a Detachment of 1330 Mrn. having under their Care 80 Horfe Load of Flour.

N. B. We have only Capt. Jones killed, & 3 Man wounded; and finite ourfelves the Enemy's Loss is confiderable.
