JUST PUBLISHED, In large Octavo, Price, neatly Bound, 12/6 Currency By JAMES BISSET, Attorney at Law,

AN Abridgment and Collection of the LAWS and ACTS of ASSEMBLY of the Province of MARYLAND at present in Force, with a small choice Collection of Precedents in Law and Conveyancing, calculated for the Use of the Gentlemen of the Province of Maryland.

As Abridging might alter the Meaning of the Enacting Clause, the first proposed Method is laid aside, and every Act containing any material Law is inserted and given in Full, in the very Words of, and carefully copied from, the original Act; nothing being Abridged but the Preamble, general Form of the Enacting Part of the Act, and the Form in every Penal Act of applying and recovering Fines.

There is a very full Index, a Table of the Acts inserted, and a Table of the expired and repealed Acts, and every Clause in any Act at present in Force, that has, by any subsequent Law, been repealed; mentioning when they expired, and the Acts whereby they stand repealed; so that upon comparing the Tables, any Person will directly see, that no material Law is omitted, nor any expired or repealed Act inserted.

The Precedents are alphabetically digested, great Variety given, such chosen as are free from Tautology, with a Number peculiarly adapted for Maryland; such as, Acknowledgments of Deeds, Probates of Causes of Action, Forms of Distraining for Rents, Superfedeas's for Stay of Execution, &c.

As the Binding will take up some Time, they will, as fast as Bound, be sent to the respective Court-Houses in the Province, where the Subscribers, or such as chuse to buy any of them, may call for them.

N. B. Advertisements will be affixed at the Court-House-Doors, advising who have the giving of them out.

To the AUTHOR of the **S I R,**

IF you have not already had an ordinary Instance of the Transmutation of one Element into another, I am persuaded I need not tell you, on so important a Subject, that this Phenomenon is not new.

where it was discovered by me having sown some Oats in his for his Horses, mowed the year after they were come up; the usual, and the Farmer mowed Intervals, three Times: The Blades appeared till the following year as before, they were perceived and the Crop, to the Surprise of the Farmer, turned out to be good Rye, as that of the Country, Mr. Jop. Bern Verge some Deception; and accepted the Experiment; observed by Design, as the Countryman, Result of his Experiment, was indeed good Rye, as that of the circumstantial Relation of this soon afterwards sent to their General, by Mr. de Marteville Curiosity, and the Desire of this surprising Phenomenon, of this Country, to try the Experiment, was Mr. Sypertstein, one of the President of the Society for the Improvement of Arts and Sciences, sowed a Handful of Oats, and again another on the 26th of August, he cropt at three several Times, the 8th of September, and the 11th of October, and the 11th of November, he cut only twice, viz. on the 26th of November, and the 11th of December. The succeeding year, very severe, almost all the Grain in the Indecmency of the Weather remained alive, shot up in the and full Ears of Rye; which was August.

As the utmost Care was taken any Mixture in the Grain, as of Rye from falling Accidental of Ground down, this Transmutation may appear to the Ignorant, or of Naturalists, is looked upon with a View of prosecuting Mr. Sypertstein has sown a few them as before. He has also sowed from the Oats; which he never as he did the Oats that produced several Experiments, in order to improve on this Discovery, to communicate to you the Result of a circumstantial Detail of the same as soon as they are known to Year 1759.

BOSTON

The following is a more particular Description of the said Phenomenon, as it happened at New-Town, Baltimore, in the Year 1759, from his own Observation, and was upon the Spot.

IT is supposed to have begun on the 11th of August, and not exceeding from Mr. David Lynde's, at next to Spencer. The main cause have been confined to about the little Effects of it's Violence to Extent, during it's whole Course, utmost Violence from S. W. to from the best Accounts yet received Damage known to be done by the House, which stood open to the Course. Immediately upon the with all it's Force, and before had Time, to shut the Doors; but was in an Instant taken up, and behind but the Silks and Part of People in it mostly hurried away found lying on that Part of the behind, and in the Cellar-Way with the Building were scattered tances round where the House found at the Distance of 30 or 40 her Collar-Bone broke, and some Rods Distance. The strongest rent and split to Pieces as tho'
