Virginia, March 20, 1760.

THOMAS I have built a complete Forge with three Fires in it, with all Conveniences, and about the same, on a good Stream, which it is thought will supply the Works continually. I am now only in want of proper fuel to carry on the same, having both Wood and Coilers (Slaves) sufficient to carry on the Works continually, and a Furnace about eight feet high, and whereas the Success of such undertakings depends on the good Management of the Works, and good Workmen; this is therefore to inform those whom it may concern, that a Clerk is wanted for the Forge, who is not only well acquainted with keeping Accounts, but capable of taking Charge of the same, to whom good Encouragement will be given, and a Prospect of advancing. A Hammerman is wanted at 25 s. Pennsylvania Money per Ton, and two strong young Fellows found to work with him; and two Finery Men at 30 s. per Ton, and two strong young Fellows to work with each of them. If either the Hammerman, or Finery Men, choose to find their own Hands, then I purpose to allow 35 s. per Ton for drawing, and 45 s. for making, to be paid in Specie half yearly, or quarterly, in Paper, and Goods, &c. furnished very cheap. A good Dwelling-House, Garden, and Fire Wood, will be found. I will contract for three, five, or seven Years, on the above Terms. As the Post will now come down once a Fortnight, an Answer to any Letter will be returned by the same Post.
