She will sail about the first of *June,* but her Stay is limited, so that she cannot exceed the 10th of that Month. And the Insurance of the Tobacco is made in such a Manner in *London,* that the Shippers may have what they put on board insured so as to recover, in Case of Loss, from Five Shillings per Hoghead to Fifty Pounds per Hoghead, or they may choose whether they will accept of any Insurance or not; provided Notice of their Intention is given to *Captain William Mc Gachin,* or to the Subscriber, before the Bills of Lading are signed.

She will answer to the Name of *Sarah.*

Whoever takes up the said Negroes, and brings them to me at *George-Town on Patowmack River,* or secures them so that I can have them again, shall have a Reward of Twenty-five Shillings for each, besides reasonable Charges paid, if taken up 20 Miles from home, and delivered to me.

Since first publishing the above Advertisement, some Circumstances have been discovered, by which it is conjectured the above Slaves were stolen.  
*Virginia, March 20, 1760.*

**W**HEREAS I have built a complete Forge with three Fires in it, with all Conveniences in and about the same, on a good Stream, which it is thought will supply the Works constantly so that I am now only in want of proper Officers to carry on the same, having both Woodcutters and Colliers (Slaves) sufficient to carry on the Works constantly, and a Furnace about eight Miles distant; and whereas the Success of such Undertakings depends on the good Management of the Works, and good Workmen; this is therefore to inform those whom it may concern, that a Clerk is wanted for the Forge, who is not only well acquainted with keeping Accounts, but capable of taking Charge of the same, to whom good Encouragement will be given, and a Prospect of advancing. A Hammerman is wanted at 25 s. *Pennsylvania Money per Ton,* and two strong young Fellows found to work with him; and two Finery Men at 30 s. per Ton, and two strong young Fellows to work with each of them. If either the Hammerman, or Finery Men, choose to find their own Hands, then I purpose to allow 35 s. per Ton for drawing, and 45 s. for making, to be paid in Specie half yearly, or quarterly, in Paper, and Goods, &c. furnished very cheap. A good Dwelling-House, Garden, and Fire Wood, will be found. I will contract for three, five, or seven Years, on the above Terms. As the Post will now come down once a Fortnight, an Answer to any Letter will be returned by the same Post.  
**BENJAMIN GRAYNES.**
