NEW-YORK, March 23.

Extract of a Letter from Montreal.

"The Case of the poor Canadians is really deplorable, occasioned by the Bankruptcy of the Crown of France. Many of them who had, with great Danger and Labour, acquired Estates worth 20,000 l. Sterling, by the Fur Trade, or otherwise, can now scarce procure a Dinner. All their Remittances from their Mother Country, consisted in Bills on the French King, which are not now worth one Farthing, as no Body whatever will accept of them in Payment. It is computed there is above the Value of 5,000,000 l. Sterling of these useless Paper Scraps circulated through the Colony, which, as a Reward to the wretched Inhabitants, for all their Hardships and Fatigues, must now supply the Place of Affluence and Independence. Most, if not all of them, are perfectly reconciled to the English Government, as they can now with Security enjoy any little Property they have; whereas formerly Governor Vaudreuil made no Ceremony of seizing the Produce of their Lands, their Merchandize and Manufactures of every Kind, and, after conveying them to the King's Store-houses, paid to the Proprietors any Price he pleased. If the Owners thereafter had Occasion for any of their own Commodities, they could not procure them under twenty Times the Price they had received."

PHILADELPHIA, March 26.

By Captain Robeson, from St. Christophers, we are informed, that just before he sailed, a Privateer came in, and brought Advice, that Commodore Douglas had taken a French 74 Gun Ship and a Frigate; and that he had burnt another Frigate at the Grenades.

Besides the Prizes mentioned, under the St. Christophers Head, to be carried into Martinico, the following are said also to have been taken, and sent in there, from the 23d of January to the 15th of February, viz. A Brig, two Schooners, and three Sloops, from New-London, Captains Hiern, Perkins, Dethon, Durell, Strilman, and Miller. A Brig and Sloop from New-York, Captains Bush and Wilson. Two Sloops from Salem, Captains Chitman and Porter. A Schooner from Marblehead, Capt. Reed. A Snow from St. Eustatia, Captain Oison. Also two Sloops, bound to Salem, Captains Davis and Swafey, being beat off the Coast, were taken, and sent into that Island. And a Snow from Piscataqua, loaded with Maits, was also carried in, but afterwards made her Escape.

From Boston we learn, that on Thursday, the 12th Instant, between 2 and 3 in the Morning, they had a violent Shock of an Earthquake there, which lasted about Half a Minute, but without doing any Damage: And that it was also felt at Portsmouth, in New-Hampshire, at Newport, in Rhode-Island, and in New-London.

On Friday last the Harriot Snow Packet, Captain Braily, arrived at New-York from Falmouth. In her Passage she was struck with Lightning, which did the Vessel considerable Damage, wounded one of her Hands much, and stunned the whole Crew for some Time, but they all recovered after a While.

The Prince of Wales, Yarrow, and the Neptune, Tindall, both from Maryland for London, are taken, and carried to St. Maloes.
