Baltimore, July 17, 1761.
RELIGION, the crowning Excellence of in-
 telligent Nature, claims the Approbation
 and close Attention of every reasonable Being,
 who expects future Bliss. We are bound from
 Principles of Gratitude and Interest to promote the
 Honour and Worship of the supreme Mind, as
 necessary to our own Prosperity, the Good of So-
 ciety, and future Happiness of Man. Animated
 by these interesting Motives, we, of the Presbyterian
 Persuasion in this Town, desire, not from Party
 Views, but from real Principle, to purchase a Lot
 of Ground to erect a decent Church for Divine
 Service, in which we may worship GOD accord-
 ing to our Consciences. Upon Enquiry we find
 ourselves as yet insufficient to raise such a Sum as is
 necessary to accomplish such an important Design,
 beg Leave therefore to solicit the Generosity of
 our Fellow-Christians to assist and encourage us in
 completing a small Lottery, at a Time when the
 Benevolence of our Countrymen is so well tried in
 this Way. We hope our Claim to the public
 Attention is equal to any that has solicited their
 Notice, and humbly expect that we shall meet
 with general encouragement.
