RELIGION, the crowning Excellence of in-  
telligent Nature, claims the Approbation  
and close Attention of every reasonable Being,  
who expects future Bliss. We are bound from  
Principles of Gratitude and Interest to promote the  
Honour and Worship of the supreme Mind, as  
necessary to our own Prosperity, the Good of So-  
ciety, and future Happiness of Man. Animated  
by these interesting Motives, we, of the Presbyterian  
Persuasion in this Town, desire, not from Party  
Views, but from real Principle, to purchase a Lot  
of Ground to erect a decent Church for Divine  
Service, in which we may worship GOD accord-  
ing to our Consciences. Upon Enquiry we find  
ourselves as yet insufficient to raise such a Sum as is  
necessary to accomplish such an important Design,  
beg Leave therefore to solicit the Generosity of  
our Fellow-Christians to assist and encourage us in  
compleating a small Lottery, at a Time when the  
Benevolence of our Countrymen is so well tried in  
this Way. We hope our Claim to the public  
Attention is equal to any that has solicited their  
Notice, and humbly expect that we shall meet  
with general Encouragement.
