Baltimore, July 1761. RELIGION, the crowning Excellence of intelligent Nature, claims the Approbation and close Attention of every reasonable Being, who expects future Bliss. We are bound from Principles of Gratitude and Interest to promote the Honour and Worship of the supreme Mind, as necessary to our own Prosperity, the Good of Society, and future Happiness of Man. Animated by these interesting Motives, we, of the *Presbyterian* Persuasion in this Town, desire, not from Party Views, but from real Principle, to purchase a Lot of Ground to erect a decent Church for Divine Service, in which we may worship GOD according to our Consciences. Upon Enquiry we find ourselves as yet insufficient to raise such a Sum as is necessary to accomplish such an important Design, beg Leave therefore to solicit the Generosity of our Fellow-Christians to assist and encourage us in compleating a small Lottery, at a Time when the Benevolence of our Countrymen is so well tried in this Way. We hope our Claim to the public Attention is equal to any that has solicited their Notice, and humbly expect that we shall meet with general Encouragement.
