By the LOWER HOUSE
21st April,
ORDERED, That Mr. C. Publish in the Maryland Gazette, the Address to his Excellency in Answer to his Message of the 12th Inst. J. A. T.

To his Excellency HORATIO
Governor and Commander
the Province of MARYLAND
The humble ADDRESS
DELEGATE

May it please your Excellency

OUR Attention has been engaged in the Bill, which we have the honor to receive, that we may be enabled to give you early Notice of the same, and to answer your Excellency's Speech at the Opening of the Session.

We are sorry to be involuntarily engaged in this manner, but as you have the honor to be present at the Opening of your Excellency at the Beginning of the Session, and as you have the honor to be present at the Opening of the Upper House, for refusing to support them for Supporting an Agent, we are constrained to petition to contest the Necessity of this Bill. Our Silence might be construed into a want of respect to your Excellency's Office, and an indispenfible Expediency of exercising a right, the most important Interest of the Province.

In our Address to your Excellency, we mentioned our other Intention in mentioning your Excellency, and to account of the Reprehension contained in your Letter, and repeated in your Speech, which would have been a great Disgrace to your House, had the Subject been otherwise treated. Hence we infer'd the Want of an injurious Treatment the Petitioners have met with from the Upper House, in that Character. This being your Excellency had not the honor to be engaged in a Controversy, and we can any Design be fairly made, of imputing the Mischief to the Support of an Agent to your Excellency, we are pleas'd to intimate, that your Excellency went a little out of the way, in proposing we intended to introduce a Bill, which is expressly confined to the Support of an Agent.

Although your Excellency has a formal or express Denial of employing a Provincial Agent, your Reasoning in the petition mentioned can be supported, and we are pleas'd to intimate, that your Excellency went a little out of the way, in proposing we intended to introduce a Bill, which is expressly confined to the Support of an Agent. The Transmittal of the Journals of His Majesty's Ministers seems, in our Opinion, to exclude the Necessity of an Agent to represent our Province on the particular Subject of the Loan Office. If this Argument be admitted, let the Measures of his Excellency be ever so oppressive to the Province, and if the Delegates of the Province, founded, your Excellency may be pleas'd to see, if the Journals may be published, and if the Representation of their Province be that great Occasion, which has the Support of an Agent, we have been regularly transmitted to your Majesty's Ministers, it seems to be your Excellency's duty to have no Occasion for an Agent.
