**MEDICINES,**  
 For the speedy Recovery of all such as are afflicted with any of the undermentioned Disorders.

**RIVINGTON and BROWN,**  
 Bookfellers and Stationers in MARKET-STREET, PHILADELPHIA, have just imported the following most excellent and universally approved of Medicines, prepared very carefully by the eminent Dr. HILL, of London, viz.  
 For the Cure of the GOUT and RHEUMATISM,  
**A NEW DISCOVERED MEDICINE, called,**  
**ELIXIR of BARDANA.**

The BARDANA is a common innocent British Plant; its Virtues against the Rheumatism have always been known, and the Physicians of Edinburgh, who have distinguished themselves eminently in the Improvement of Medicine, now give it constantly and successfully in that Disease: The Author claims no Merit but that of extending its Use, affixing its Efficacy, and reducing it to a Form in which it may be more conveniently taken. It is pleasant, safe, and effectual, and if we judge from the first Experience upon himself, and the happy Effects of its Use in a Number of other Cases in London, there is Ground to hope these Diseases will no longer so grievously torment Mankind. Price Seven Shillings a Bottle.

For the certain Cure of the SCURVY, LEPROSY, and all Obstinate Disorders of the SKIN,  
**THE ESSENCE of WATER-DOCK.**

The Virtues of which are such, as to cure the most inveterate Degrees of the Scurvy; it not only clears the Skin of all Breakings out, but mends the Constitution. Persons afflicted with the Scurvy are subject to have bad Stomach, and to be miserably low-spirited, and many have these Complaints, not knowing that the Scurvy is the Cause. This Medicine takes off the Faintness, creates an Appetite and Digestion immediately, clears the Skin, and prevents future Eruptions. Price 7 Shillings a Bottle.

The most successful Medicine that ever was used for the effectual Cure of the GRAVEL and STONE; called,  
**The Tincture of Golden Rod.**

This Medicine has been found very excellent in preventing the Gravel from concreting to Stone, and discharging it without Pain; it will bring away all Gravel as fast as it is deposited in the Kidneys, and never suffers it to lodge or form Stones again; and it has been found by Experience to cure Mrs. *Sigbee's*, and all other Medicines used in discharging Stones. Price 9 Shillings a Bottle.

For the Cure of all NERVOUS DISORDERS, FITS, HEAD-ACHS, LOW-SPIRITS, CONFUSED THOUGHTS, VAPOURS and MELANCHOLY; A MEDICINE CALLED,  
**The Genuine Tincture of VALERIAN.**

It is a pleasant Cordial, and entrancing Medicine, it clarifies the Spirits, cures Wanderings of the Mind, all Kinds of Convulsions and Hysterick Complaints, Elipses and Palls in all their Stages. Also it is excellent in Sicknefs of the Stomach, and in Flatulencies, Obstructions, and the convulsive Asthma. Price 6 Shillings a Bottle.

Also of the above RIVINGTON and BROWN may be had the following POWDERS,  
**SEXTON'S POWDER,**  
 For the certain Cure of the SMALL-POX and MEASLES.

This Powder, from the incontestible Proofs of several Families of the greatest Distinction and Reputation, makes it almost needless to mention its superior Excellence to the Cure of that dreadful Disemper the Small-pox: which by this Medicine is rendered no more dangerous than any common Eruption, being furnished with that specific Virtue, as to destroy the Malignancy of the poisonous Matter, without charging it by gentle Perspiration, which, from an over Quantity, occasions all the dangerous Attendants of the Disease; it helps Nature, by throwing out the viscid or purky Matter from the internal Viscera to the external Part, kindly promoting a due Maturation (so difficult to be obtained by the common Methods of Practice) and entirely prevents the secondary Fever, and will with the greatest Certainty cure most Fevers in a short Time, and is without so innocent as to be given to Children in the Month, without the least Hurt or ill Effect by any Violence of Operation. These Powders have saved the Lives of many Thousands; are in the utmost Esteem in Europe, and have been greatly used in recovering Negroes in the West-Indies. Price Twelve Shillings for a Quantity sufficient for the Recovery of a single Patient.

**Dr. JAMES'S POWDER for FEVERS.**

This Powder, if taken agreeable to the Directions, will remove any continual Acute Fever in a few Hours, though attended with Convulsions, Lighththeadness, and the worst Symptoms, but if taken at the Beginning of a Fever, the Dose is generally sufficient to perform a Cure. It is likewise a most effectual Remedy for all internal Inflammations, Pleurisy, Quinsies, Acute Rheumatism, and the Lowest of Spirits, and Uneasiness proceeding from latent Fevers, which are generally mistaken for Vapours and Hysterics. A single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Disempers. Price Six Shillings for a Paper containing two Doses.

Likewise at the same Store is sold,  
 Several Sorts of perfum'd Waters, Smelling Bottles, Cream Plaster, Tooth Powder and Brushes, and an elegant Assortment of Jewelry and Trinkets.
