AT the repeated Solicitations of several Persons, the OHIO COMPANY have agreed to lay off a Number of LOTS for a TOWN at Fort Cumberland, near the Mouth of Will's Creek, on Patowmack River, in the Province of Maryland; and that each Purchaser may have an Opportunity of attending, and choosing the Lots he may judge most convenient, they will be SOLD to the Highest BIDDERS on Friday the 15th of April next.

Any one who will consult the Maps must see that Fort Cumberland, from its natural Situation and Contiguity to that very extensive and fertile Country on the Ohio and its Waters, must be the Key to all that valuable Settlement; it being the highest and most convenient Landing-place for the Inhabitants on the other Side the Allegheny Mountains, on all the River Patowmack, which affords a Water-Carriage, that with a very inconsiderable Expence, might be rendered safe, certain and easy, at all Seasons of the Year, from the Great Falls to the Spot now proposed for a Town. It is about 75 Miles Land-Carriage to the Monongahela, which is navigable to the Ohio for flat-bottomed Boats or Batts; and not more than 65 Miles to the Tanangans, where the Road, as it is at present cleared to Pittsburgh, crosses; to which Place the Indians frequently, before the War, brought up their Batts loaded with Skins; And all who are acquainted with the Country agree, that a very good Wagon Road may be made to that very Spot, or even a few Miles lower down the River, which would reduce the Distance from thence to Fort Cumberland at least 15 Miles. The Land-Carriage from Pimmit's Warehouse, at the Little Falls, which is the highest Tide Water of Patowmack, to the Great Falls, does not exceed 12 Miles; and the Manufactures of Great-Britain may be transported by the Patowmack to the Ohio, and its Produce or Furs remitted through the same Channel, with only 90 Miles Land-Carriage at the most.

Fort Cumberland is about 115 Miles from Pittsburgh, 30 from Fort Bedford, 60 from Winchester, Land-Carriage, good Wagon Roads, and 100 Miles Water-Carriage from the Mouth of Conococheague Creek in Maryland.

The Day the LOTS are Sold the OHIO COMPANY will LET to the highest Bidder, for a Term of Years, Two very good Store-Houses, opposite to Fort Cumberland, in Virginia, one 45 by 25, with a Counting-Room and Lodging-Room, at one End, the other 44 by 20, with proper Conveniences for a Family to live in, two Stories high each, besides Garrets, with good dry Cellars fit for storing Skins, the whole Size of the Houses; and a Kitchen, Stable for 12 Horses, Meat-House, and Dairy; there are Two good Batts, which will be given to the Person who rents the Houses. The whole entirely new, and will be completely finished, and fit to enter upon immediately; and the Person who takes the Store-Houses, may also have a Lease, for a Term of Years, of as much Land adjacent to them as he chooses. Any one desirous to treat privately for the Store-Houses, &c. before the Day of Sale, or the Town Lots, may know the Terms by applying to the Surveyors, who will attend at Fort Cumberland on the 15th Day of April next before-mentioned, to deliver the Purchasers Deeds for their Lots. There is great Plenty of good Timber and Lime-Stone on the Lands, on each Side of the River; and the Company are building a Saw and Grist Mill, within a Mile of the Spot proposed for the Town. WE hear from Madrid, that the King of Spain has granted Ten Thousand Livres dow of Don Velasco, who bravely defended the Havannah; and has given his Nobility in Castile, which he is to Name of the Marquis of the Fort I. Majesty has likewise given Directions, should be always, for the future, one Royal Navy of the Name of Velasco. By the Accounts received here from the Prussian Detachments were returning, with the Contributions which they during their late Expedition. Stockholm, Dec. 12. The Orders for the Forces in this Kingdom are to be sent throughout the Provinces, by a circular from his Swedish Majesty. Berlin, Dec. 14. By the last Letter from his Majesty, it was not known from his Expedition into the Empire. Letters mention, that his Royal Highness Henry was expected at Leipzig as he intended passing a Week with his Majesty. Count Finkenstein sets out to Leipzig.

Hamburg, Dec. 17. We learn from that the Russian Troops which still remain, having now sold their Magazine, evacuate that Kingdom totally before this Month, in order to return to Russia. Düsseldorf, Dec. 17. We hear the great Tumult at Wesel, but do not know Particulars. It is said to have been a Difficulty, and that most of the Magistrate had been sent to Prison. This Town is to be before the End of this Month; and Troops that are to enter into Garrison ready to March from Juliers and Düsseldorf.

Cologne, Dec. 17. It is probable the French have had here, ever since they will soon quit this Town, as the Comander delivered the Keys of the City to the Prussians, also the Posts on the Ramparts, till they had taken out of the Arsenal. A Reform has already been made Commanded by M. de Conflans, quartered Dutchy of Juliers, of 20 Men per Company has made the travelling dangerous. Liege, Dec. 18. Four Battalions of militia passed this Place the 15th, in the France. Yesterday the Privy Council from the Court of Brussels, requisite for the Passage of six Divisions of Austrians coming from the Low Countries. Men in each Division is not specified that each Division has 14 Carts. They were to begin their March the 15th, it is expected they will arrive on our Day.

Dinkelspiel, Dec. 6. The Prussians tend themselves more and more, as in the Circle of Suabia. Several Inhabitants of the Country of Wirtemberg, and Baden, sending away their Effects to the Tyrol, particularly to Basle.

There is great Appearance also, that the Prussians of Brunswick, as soon as they are all settled in their Winter-Quarters to the King; and that if after the Treaty between France and England, the Prussians and the Austrians should continue, will be employed in his Majesty's Army. Leipzig, Dec. 10. It is reported that the principal Electors have refused to receive Prussians from the Army of the Empire.

Munster, Dec. 14. The French evacuate Wesel, Cleves, Gueldres, &c. belonging to the King of Prussia on the Rhine; but it is not yet known whether they will be restored to the Troops of the Emperor, if a Detachment of those of the Emperor in the Low Countries, will come to the assistance of them.
