AT the repeated Solicitations of several Persons, the OHIO COMPANY have agreed to lay off a Number of LOTS for a TOWN at *Fort Cumberland*, near the Mouth of *Willis's Creek*, on *Patawack* River, in the Province of *Maryland*; and that each Purchaser may have an Opportunity of attending, and choosing the Lots he may judge most convenient, they will be SOLD to the Highest BIDDERS on Friday the 15th of April next.

Any one who will consult the Maps must see that *Fort Cumberland*, from its natural Situation and Contiguity to that very extensive and fertile Country on the *Ohio* and its Waters, must be the Key to all that valuable Settlement; it being the highest and most convenient Landing-place for the Inhabitants on the other Side the *Allegheny* Mountains, on all the River *Patawack*, which affords a Water-Carriage, that with a very inconsiderable Expence, might be rendered safe, certain and easy, at all Seasons of the Year, from the Great Falls to the Spot now proposed for a Town. It is about 75 Miles Land-Carriage to the *Monongahela*, which is navigable to the *Ohio* for flat-bottomed Boats or Batoes; and not more than 65 Miles to the *Yanagaine*, where the Road, as it is at present cleared to *Pittsburg*, crosses; to which Place the *Indians* frequently, before the War, brought up their Batoes loaded with Skins: And all who are acquainted with the Country agree, that a very good Waggon Road may be made to that very Spot, or even a few Miles lower down the River, which would reduce the Distance from thence to *Fort Cumberland* at least 15 Miles. The Land-Carriage from *Pittsburg's* Warehouse, at the Little Falls, which is the highest Tide Water of *Patawack*, to the Great Falls, does not exceed 12 Miles; and the Manufactures of *Great-Britain* may be transported by the *Patawack* to the *Ohio*, and its Produce or Furs remitted through the same Channel, with only 90 Miles Land-Carriage at the most.

Fort Cumberland is about 115 Miles from *Pittsburg*, 30 from *Fort Bedford*, 60 from *Winchester*, Land-Carriage, good Waggon Roads, and 100 Miles Water-Carriage from the Mouth of *Conococheague* Creek in *Maryland*. The Day the LOTS are Sold the OHIO COMPANY will LET to the highest Bidder, for a Term of Years, Two very good Store-Houses, opposite to *Fort Cumberland*, in *Virginia*, one 45 by 25, with a Counting-Room and Lodging-Room at one End, the other 44 by 20, with proper Conveniences for a Family to live in, two Stories high each, besides Galleries, with good dry Cellars fit for storing Skins, the whole Size of the Houses; and a Kitchen, Stable for 12 Horses, Meat-House and Dairy: there are Two good Batoes, which will be given to the Person who Rents the Houses. The whole entirely new, and will be completely finished, and fit to enter upon immediately; and the Person who takes the Store-Houses, may also have a Lease, for a Term of Years, of as much Land adjacent to them as he chooses. Any one desirous to treat privately for the Store-Houses, before the Day of Sale, or the Town Lots, may know the Terms by applying to the Subscriber, who will attend at *Fort Cumberland* on the 15th Day of April before-mentioned, to deliver the Purchaser's Deeds for their Lots. There is great Plenty of good Timber and Linn-Stone on the Lands, on each Side of the River; and the Company are building a Saw and Grist Mill, within a Mile of the Spot, proposed for the Town.
