Perit, Jen. 24. We have received the following Account of the Capture of the Basilist. Bomb, by the Audacients Paivamer of Bayonne.

The Audacients, a Frigate of 18 Gains, and 14th Men, terminated by Captain Minblelle, failed from Bayonne on the 21 of October, and upon the 20th; but the Basilist, which carried 18 Newfoundland, fell in with the Basilist, which carried 18 Cons, and 60 Men. The Engagement began with the greated Vivacity; the Basilist's Mirren-Mast was foon caprice away; most of her Hands wounded, and the Captain himself received feveral Wounds; but instead of yielding, he was seen with his drawn Sword, daring the Audacients's Men, and ethorting his own People rather to dig than to strike. Upon which Captain Minbielle gave Orders for Bearding. The two Vessels foon grappled, and the Engagement became more betthan ever. At last, the English Captain and his First Lieut, being no longer able the breighthe Decks, thas French make themselves Masters of the Ship. An Ebylishman who was on the Point of throwing a Box, of Dispatches lasts the Sa, was prevented by a Blow from a Sabre.

The French Frigate retained well intile Dispatches lasts the Sa, was prevented by a Blow from a Sabre.

The French Frigate retained well intile Dispatches lasts the same of the Basilish were wounded? The Captain is stack dead of his Wounds. He was dispatched from the Hamilian Pococke, on the 12th of October. Cag. Minbiglie retained there a few Days before.
