**Blairstown, 23d May, 1763.**

**SEVERAL** People who once dealt with me, owe small Balances, which are very troublesome to be continued on the Books from Year to Year, I will therefore be obliged to these People if they will pay off, or come and let me know that they want more Time.

Some few owe more considerably, and deal also at other Stores, whereby they have more Accounts to settle before they can know how their Affairs stand, which takes up their Time; and besides it is setting an Example to lazy People, to get in Debt at different Places more than they can pay, which brings a Charge on the Trade for bad Debts, and thereby hinders Traders from affording so good Terms to those who are Industrious, as such People really deserve. I will therefore be obliged to these unsettled Folks if they will pay their Debts, by Credit with some Merchant, or otherwise, that I may be enabled to oblige my constant good Customers, as much as I desire to do; for it is very hard that indifferent Customers should keep the Use of Money which is wanted for good Customers. *RICHARD HENDERSON*. N. B. I expect a fine Cargo of GOODS soon.
