St. JOHN'S (in ANTIGUA) April 27. Extract of a Letter from Bartholomew Putman, Master of the Schooner Leopard, who sailed from this Island the 21st Instant, bound for Martinico, dated Basseterre, Guadalupe, April the 25th, to a Person in this Town.

It is with much Grief I acquaint you of my great Misfortune, which I met with the 23d at one o'Clock in the Morning, five Leagues Distance from Dominica, W. S. W.; being boarded by a Spanish PIRATE, and after being stript and used barbarously, was turned adrift with my Boat without Water, or Provisions of any Kind.

I cannot inform you rightly where she belonged to; only from what they told me, which was, that she did belong to the Island of Margaritta, and that the Captain's Name is Antony.—She had one Carriage and 12 Swivel Guns, and 24 Hands; but had matted six Pieces, and for the most Part cruised off Dominica, and has been there for 5 Weeks. I beg you would send this Account to my Owners in Salem.

The above Schooner of Capt. Putman's is about 30 Tons Burthen, Newberry built, long and narrow; this her second Voyage from New England; has a long Quarter Deck, which takes in her Main-mast and Pumps; has a Scuttle under the Tiller before the Rudder-case of about 18 or 20 Inches square; her Cabin Floor neatly tiled; has plain solid Quarter Pieces; had two Top-masts to carry standing Top-sails; tarred Sides, and black Bottom.

BOSTON, May 30.

By a Gentleman lately arrived from Jamaica, we learn, that on or about the first of April, a Number of Negroes in the Country having attempted an Insurrection on the Inhabitants, a Party went out against them, and speedily put a Stop to their Progress, after their barbarously murdering several of the Settlers there. Several of the Negroes were taken and executed before the Gentleman left that Place.

NEW-YORK, June 2.

On Tuesday last arrived the Brigantine Gosport, Capt. Alexander Taylor, in 8 Weeks from Gibraltar, from whence Admiral Saunders's Squadron sail'd for England three Days before he left that Place, where Sir Piercy Brett, and Commodore Amherst, were left with 3 Ships of the Line, and 3 Frigates.

MAKES and REPAIRS all Sorts of CARRIAGES, in the neatest and best Manner, at the most moderate Prices.

THE OHIO Company have ordered 100 Half-Acre Lots to be laid off for a Town, to be called *Charlottesville*; on *Patowmack* River, in the Province of *Maryland*, near *Fort Cumberland*; and an equal Number of Out Lots, contiguous to the Town, will be annexed to it. Within 3 Years from the Date of their Deeds each Proprietor is to build on his Town Lot a Dwelling-house 20 by 15, with a Brick or Stone Chimney, and is to pay an annual Ground Rent of 5 Shillings Sterling for each Town Lot. These Lots will be sold, on the Premises, to the highest Bidders, on Monday the 30th of this Instant *June*; and as the public may be assured none will be disposed of at private Sale, those who will attend may have an Opportunity of choosing such Lots as they think most convenient.

Any one who will consult the Maps must see that *Fort Cumberland*, from its natural Situation and Contiguity to that very extensive and fertile Country on the *Ohio* and its Waters, must be the Key to all that valuable Settlement; it being the highest and most convenient Landing-place for the Inhabitants on the other Side the *Allegheny* Mountains, on all the River *Patowmack*, which affords a Water-Carriage, that with a very inconsiderable Expence, might be rendered safe, certain and easy, at all Seasons of the Year, from the Great Falls to the Spot now proposed for a Town. It is about 75 Miles Land-Carriage to the *Mansgabela*, which is navigable to the *Ohio* for flat-bottomed Boats or Battoes; and not more than 65 Miles to the *Tanyagaint*, where the Road, as it is at present cleared to *Pittsburg*, crosses; to which Place the *Indians* frequently, before the War, brought up their Battoes loaded with Skins: And all who are acquainted with the Country agree, that a very good Waggon Road may be made to that very Spot, or even a few Miles lower down the River, which would reduce the Distance from thence to *Fort Cumberland* at least 15 Miles. The Land-Carriage from *Pittsburg's* Warehouse, at the Little Falls, which is the highest Tide Water of *Patowmack*, to the Great Falls, does not exceed 12 Miles; and the Manufactures of *Great-Britain* may be transported by the *Patowmack* to the *Ohio*, and its Produce or Furs remitted through the same Channel, only with 90 Miles Land-Carriage at the most. And to all the Advantages of Situation, &c. already enumerated, may be added, not as the most inconsiderable, that the *Ohio* Company have a Right to expect a Magazine will (with a sufficient Garrison) be established at *Fort Cumberland*, for supplying the Troops which may be employed on the *Ohio*.

Fort Cumberland is about 115 Miles from *Pittsburg*, 30 from *Fort Bedford*, 60 from *Winchester*, Land-Carriage; good Waggon Road, and 100 Miles Water Carriage from the Mouth of *Conococheagus* Creek in *Maryland*.

The Day the LOTS are SOLD the *OHIO COMPANY* will LET to the highest Bidder, for a Term of Years, Two very good Store-Houses, on *Patowmack* River, in *Virginia*, opposite to *Fort Cumberland*, one Forty-five by Twenty-five, with a Counting-Room and Lodging-Room, with Fire-places, at one End; the other 44 by 20, with proper Conveniences for a Family; two Stories high each; besides Garrets, with good dry Cellars, fit for storing Skins, the whole Size of the Houses; and a Kitchen, Stable for 12 Horses, Meat-House and Dairy. There are Two good Battoes, which will be given to the Person who Rents the Houses. The whole entirely new, and now fit to enter upon; and the Grift and Saw Mills, which are not a Mile from the Town, will be completed by the Middle of *June*. There is plenty of fine Timber and Lime-Stone very convenient. The Company have a great Quantity of exceeding good Land on both Sides *Patowmack* River, contiguous to the Town and Store-Houses, to Let. Any Person desirous to treat for the Store-Houses or Lands before the Day of Sale, or the Town Lots, may know the Terms by applying to the Subscriber, who will attend at *Fort Cumberland* on the 30th Day of *June* aforementioned, to make the Purchasers Titles to their Lots. **GEORGE MERCER.**

A GENERAL MEETING of the *OHIO COMPANY* is desired at *Stafford* Court-House, on *Patowmack* Creek, in *Virginia*, the first Monday in *July* next. The General-Assembly of *Virginia* being unexpectedly called, will prevent the Committee of the *Ohio* Company from meeting on the first Monday in *June*, as was formerly advertised; and as there are Matters of the greatest Importance to the Company to be settled at their next Meeting, this Notice is ordered to be published in the *Virginia, Maryland* and *Pennsylvania* Gazettes, that the several Members may be informed of it.
