May '19. Yefterday it was reported, that fuch a Coalition among the Leaders of the tontending Parties would fpeedily take place, as would give Satisfaction to every one.

We hear that the Duke of Devonshire and Earl of Hardwicke are both coming into Places again, and all Parties are endeavouring at a Reconciliation.

We hope there is no Truth in a Report that a certain unpopular Nobleman has been shot at.

We hear that a great Number of new Frigates, from 20 to 30 Guns, are ordered to be built at Deptford and Woolwich.

The Demand for Gold, in Coin, is for great, that the Jews now give 41. 22, per or. so that in a short Time we may expect a greater Scarcity of money in this Kingdom, than at present is thought of.
