MARYLAND, Patuxent River, George-Town, Dec. 10, 1763.

AS I am fully determined on going Home in the Spring 1765, if then alive, in order to make a Settlement with my Employers, Merchants in GLASGOW, which I cannot accomplish without making Settlements with my Customers; I take this Method of informing them, That from this Date I have given up the Management of the Store to Mr. Robert Ferguson, (who is well known to most of them) that I may have it in my Power to attend properly on settling all my former Transactions, and which I hope I shall not be difficult to get done against the Spring 1765, having now all my Accounts ready for that Purpose, and I flatter myself that none concerned will delay on their Part, for however much I am inclined to be indulgent to those who really have it not in their Power to make Payment soon, yet I am under a Necessity of requiring that every Person who has open Accounts with me, shall make a Settlement of such Account, and their doing it soon will prevent them from being put to Expences, as well as Trouble to me. The Store at George-Town, on Patuxent River, now under the Management of Mr. Robert Ferguson, will be supplied with Goods, &c. as usual, and I have not the least doubt of giving Satisfaction to all who are Kind enough to favour him with their Custom, as well to my good old Customers, as to others who may incline to open a Correspondence with him. My Intention is to return to George-Town as early in the Spring 1766, as I can finish the Business on which I am going Home. All just Claims against me, whether on Account of the Store, or properly on my own Account, shall be settled before I depart the Province.
