WANTED,
In FREDERICK-TOWN, in Frederick County, A BARBER and PERUKE-MAKER, who will meet with good Encouragement from the Inhabitants in and about that Town.

SCHEME of a LOTTERY,
For the Use of Talbot County School.

THERE being a Necessity for making considerable Repairs to the Buildings of this School, and also some Addition thereto for the Master's Conveniency, and the Funds appropriated to it's Use being already charged with a heavy Debt: The Visitors, unprovided with any other Means, take Leave to propose the Method of Lottery, to raise the Sum of Three Hundred and Sixty Pounds, for answering the Purpose abovementioned.

This School, thro' the Abilities and extraordinary Affiduity of the present Master, has for many Years, even under great Disadvantages, been look'd upon as perhaps the best and most frequented in the Province: And should this Scheme succeed, and the Buildings be render'd more commodious, by having the School-Room enlarged, and the upper Chambers well fitted for the Reception of Boarders, it might soon become still more extensively useful than it has hitherto been.

INSTRUCTION, or right Education, is universally confessed to be one of the greatest Advantages in Life. It is the best and truest Improvement of our rational Faculties; and those useful Arts and Sciences, by which the Condition of Mankind has been rendered more happy and commodious, are, in a great Measure owing to it. It purges off the Dross of Slavery and Superstition, and bears a friendly Aspect on Liberty, and the social Interests of Mankind.

SOLICITOUS to secure this noble Advantage, and actuated, entirely, by Sentiments of Tenderness and Regard for the rising Generation, the Visitors flatter themselves that every Lover of his Country, and Friend of Mankind, will warmly promote a Lottery so laudable in it's Intention, and countenance, with his Favour and Indulgence, THIS NURSERY OF SCHOOL-LEARNING.

THIS Scheme is apparently more promising to the Adventurer, than any hitherto offered; there being not many more Blanks than Prizes, and the Deduction only 15 per Cent: And as the Visitors have been much encouraged to propose this Lottery, they have Reason to hope it will speedily be drawn.

The Reverend *John Gordon*, Messieurs *Jacob Hindman*, *Matthew Tilghman*, *Jonathan Nicols*, and *Henry Hollyday*, Visitors; and Mr. *William Nicols*; who are appointed MANAGERS, will give Bond and be on Oath for the faithful Execution of this Trust.

The Drawing to begin as soon as the Tickets are sold, at Talbot Court-House, in the Presence of a Majority of the Managers, and such of the Adventurers as chuse to attend, of which the Public shall have timely Notice in the *Maryland Gazette*, and a List of the Prizes shall also be published immediately after the Drawing.

All Prizes not demanded within Six Months after Publication, will be deemed a generous Benevolence to the School, and applied accordingly. Tickets may be had of any of the Managers.

All Kinds of Money now in Circulation will be received for Tickets, and paid in Discharge of the Prizes.

[XXth Year.]

LONDON, June 16.

WEDNESDAY last Mr. Pitt from his Seat at Hayes, to Temple's House in Pallmall on Thursday there was a Court at the Queen's Palace, in St. James's Park, but it is not known whether Affairs are in so bad a State as to require able Men to be sent to them immediately, though it may be, that Matters are run into so much Confusion, that the present Directors can stand it no longer, they leave the Augean Stable to be cleared by their successors.

We hear his Majesty has been pleased to appoint James Macpherson, Esq; (who tho' upwards of 40 Years of Age, so gallantly distinguished himself as a common Soldier in one of the Battalions of Highlanders, at the Siege of Quebec) to be Secretary General to the Province of West Florida; Saturday that Gentleman set out for Portsmouth in order to embark with his Excellency Governor Johnstone for that Place.

June 26. We are informed that public Boscage of all Kinds is entirely at a Stand, and that Change is certainly expected in the Administration. It is hoped it will be such a one as will put an End to our intestine Divisions, and restore Dignity to our Country.

'Tis said a Scheme is on Foot to raise an equal Land-Tax throughout the Kingdom, which will produce an almost incredible Increase to the Branch of the public Revenue.

June 28. They write from Berlin, that the King of Prussia granted, on the 29th ult. a Patent to the Sieur Teegel, Privy Counsellor of Commerce, to re-establish an East-India Company at Embden.

We hear that 1600 Marines are to be immediately raised; for which Purpose a great Number of Parties are recruiting in various Parts of the Kingdom.

Letters from Toulon of the 4th Instant advise that the Ship-Wrights had left off working on the Men of War Le Languedoc, Le Bourgoignon, and Le Marcellois, which have been on the Stocks long Time; the Cause of which is not known, but it was not for Want of Timber, there being plenty in the Magazines: The Workmen are chiefly employed there in building and fitting out Le Hirondele, a Bark, Le Hector, Le Souverain, and Le Sultane, a new Frigate of 30 Guns, but having few Hands, the Work goes on very slow.

We hear that some Peers will shortly be advanced to higher Dignities.

Yesterday Morning the Right Hon. William Pitt came from his Seat at Hayes, to Lord Temple's House in Pallmall. At Noon he attended his Majesty's Levee at St. James's, and was there a considerable Time. After Dinner he set out again for Hayes. From the Circumstances of his going to Court, and his having been in Town last Week, the Report continues to gain Ground, that a Change in the Administration is certainly on the Carpet. All good Men wish it were accomplished; for 'til it is, there are no Hopes of putting the Affairs of our Country on a proper and respectable Footing, which the very critical Situation of Things both at home and abroad, so urgently Demands.

Lord Sandwich was also at the Levee, but he did not stay.

The Right Hon. George Grenville, who is, at present, first Lord of the Treasury and Chancellor of the Exchequer, is gone down to his Seat at Wootton in Bucks.

It was Yesterday Morning reported, that Orders have been very lately sent to the Governor of Newfoundland, to admit no French Ships of War within a certain Latitude of those Seas, except in Cases of Distress. This is imitating the Spaniards at the Havannah, who are extremely jealous even of Merchants Ships.

The Report still continues, that a Squadron of Men of War will speedily be put into Commission; and that the Commissioners of the Victualling-Office have received Orders to prepare accordingly. It is confidently asserted, that our Ambassador at a certain Court will shortly return to England.

The Actions brought for false Imprisonment, by sundry Authors, Bookfellers, and Printers, which
