

near ALEXANDRIA, VIRGINIA.
September 22, 1764.
WILLIAM COLVILL, Gentleman, deceased, on the 25th Day of April, 1765, at the House of Arthur Charlton, in Frederick-Town, in Frederick County, Maryland, for Sterling Money, of Exchange, or Current Money of Pennsylvania, Maryland, or Virginia, at the current of Exchange,

VERY valuable Tract of LAND called *Merryland*, in the said County, containing 100 Acres, lying along the Foot of the lower *Schenandoe* Mountain, and along the *Patowmack* River, within 12 or 13 Miles of *Frederick-Town*, where great Trade and Business is done. It is very convenient for a *Dutch* Settlement, as many of those People live near and about it. It is well Watered and Wooded, and in the Neighbourhood of two large Iron-Works. It is sold altogether, or in Lots or Parcels of 1000 Acres, as may be most convenient to the Purchasers; for one Half of which, a Year's Rent will be given (if desired) upon giving good Security, and allowing Interest. A Plat of the said Tract may be seen in the Hands of Mr. *Charles* *Wesley*.

and scandalous Advertisement, published in the *Maryland Gazette*, of the 6th of this Instant, in the Name of *John Patterson*, Agent of the *Earl of Tankerville*, to prejudice the Sale of said Tract, obliges me to obviate the ill Consequences that may arise from it, by publishing the true Intent of the Testator's Will as I judge may be the Purchasers of my Power to make them Title.

Tract of Land called *Merryland*, is expressed to be Sold for the Payment of Debts and Legacies; and if the Money raised by it, shall not be sufficient to discharge them, I am expressly directed by the Will to raise the Deficiency by the Sale of any of the *Virginia* Lands or Negroes, and to Lord *Tankerville* as shall seem to me expedient, except his Lordship, choosing to prevent the Sale of any Part of the said Land and Negroes, will assume upon himself the Discharge of such Deficiency, and wholly exonerate, and indemnify me, as Executor, thereon.

Tankerville is appointed an Executor with the only Debts of Consequence are decisions in *Great-Britain*: I have provided the said Land given Security in this Country; He hath either; so that I am liable to the Payment of Debts; he cannot be compelled. I have repeatedly to settle these Affairs in *Britain*, and the *Virginia* Lands from Sale, or give Bond and Security here, that I might be indemnified against the Creditors: But after waiting Nine Years for his Lordship's Determination, he declines giving me such Indemnification; and Creditors, now wearied with Delays and Expences, have actually commenced Suits against me, even for the very Legacies which this *Patterson*, so impudently asserts to be paid. Of Respect to his Lordship, I shall forbear, Time, mentioning his Payments of Debts and Legacies, or other Proceedings, except called by this sagacious Agent to answer some other Part of his Wit and Veracity.

could not have mentioned these Circumstances, to detect the Falshoods in the said Advertisement, and to discourage the Sale of this Land, and to my Disadvantage, but his Lordship's Force the Sale of some of the *Virginia* Lands or Negroes, which I have aimed at preventing him entire.

could afford very little Amusement to me, and be very disagreeable to me, to enter into Altercation with such a Person as *Patterson* is known to be: But this may be necessary to say, that I shall (God willing) attend to produce the original Papers, together with an authentick Copy of the Will, under which my Power (which will show the Fallacy of *Patterson's* being appointed *Residuary Legatee*, and that his Concurrence in the Sale is not sufficient to convince any Purchaser, that the same from me cannot be impeached. When done, it may be a Question, whether any Person, but invincible Ignorance, and partiality, could influence *Patterson* to publish the said Advertisement, directly to the prejudice of his Principal, and repels with Justice and Falshood.

THOMAS COLVILL,
The Plat, and an authentick Copy of the same, will be lodg'd with Mr. *Charles* *Wesley* in the

WHEREAS there is a Dispute between *John Howard*, Son of *Benjamin*, and the Subscriber living in *Baltimore* County, in regard to the Title of Two Tracts of Land lying in *Anne-Arundel* County, on a Point of *Patapsco* River, and near the *Elk-Ridge* Landing. And as it hath been thought by many Persons, to be very convenient for Building a Town thereon, and as the Gentlemen of *Elk-Ridge*, and other Parts, have taken a great many Lots on the same, by Agreement with the said Mr. *John Howard*, and as this Dispute seems to put a Stop to the Building thereon, This is to inform the Purchasers of the said Lots, That if the Land should belong to the Subscriber, they shall have them as agreed for with said *Howard*. And I further inform any Gentleman that inclines to purchase Lots, that it is a very fine Place for that Purpose, having several fine Cool Springs on it, and a large Old Field very level and dry, with the Convenience of a Sea Trade, and a fine, rich, extensive Country back of it, from whence is brought to the said Landing, large Quantities of Tobacco, Wheat, Indian Corn, Hemp, Beef, Pork, and all other Articles for Merchandize.
