Which, to those that have already tried, has given the greatest Satisfaction. The Directions are printed, and have been well approved of by some of the first Physicians on the Continent. **WILLIAM KNAPP, WATCH-MAKER,**

**T**AKES this Method to acquaint the Public, That he has provided an Assitant in the WATCH-MAKING BUSINESS, which will enable him the better to Dispatch the Work of those Gentlemen who have, and may employ him. He hopes his past Endeavours in that Way, may have answered the desired End. It is manifest from daily Experience, that Numbers of Watches (which have been originally well executed) have severely suffered thro' the unskillful and injudicious Practice of some Men, who assumed the Knowledge of a Business to which they were only Pretenders. Those Watches which have been many Years in Use, and consequently Wore, he will engage to Mend, as well as when New; and will at a very moderate Expence keep, those he Repairs, in Order, for Ten Years, all Damages excepted which may accrue to 'em from Accidents; such as a Fall, and the Breaking of a Main Spring, which the most discerning Workman cannot often Account for, nor the ablest prevent.

He Makes, and will Supply any Gentlemen with HORIZONTAL, SECONDS, or PLAIN WATCHES, and will engage the Quality to be equal to any Imported from LONDON.

GERARD HOPKINS, junior.

N. B. He formerly belonged to *Capt. Thomas Gault*, in Prince-George's County, and is a noted Runaway.

The **MAR**

[XX<sup>th</sup> Year.]

From the PENNSYLVANIA GAZETTE  
**PHILADELPHIA, November**

**O**N Wednesday, the 24<sup>th</sup> Inst. *ISAAC NORRIS*, Esq; Spoke the Assembly, having signified the House his Inability to attend that Service, from the present State of Health, the House unanimously chose *Joseph Fox*, Esq; Speaker in his Stead.

And on Friday last the House adjourned to the 7<sup>th</sup> of January, having appointed *BENJAMIN FRANKLIN*, Esq; to embark immediately for Great-Britain, to join with and assist the present Agent in transacting Affairs of this Province, for the ensuing Year.

From the PENNSYLVANIA JOURNAL:

*Mr. BRADFORD*, The Subscribers, at the Close of the late Debate in Assembly, concerning the sending *Mr. Frank* to England as an Assitant to our Agent there, having offered a PROTEST against that Measure, which was refused to be entered on the Minutes, it is now thought proper to take this Method, laying before the Public the Reasons on which their Dissent was founded.

**W**E whose Names are hereunto subscribed, do object and Protest against the Appointment of the Person proposed as an Agent of this Province, for the following Reasons.

*First*: Because we believe him to be the Chief Author of the Measures pursued by the late Assembly, which have occasioned such Uneasiness and Distraction among the good People of this Province.

*Secondly*: Because we believe his fixed enmity to the Proprietors will preclude all Accommodation of our Disputes with them, even on just and reasonable Terms;—So that for these two Reasons, we are filled with the most affecting Apprehensions, that the Petitions lately transmitted to England, will be made use of to produce a Change of our Government; contrary to the Intention of the Petitioners; the greatest part of whom, we are persuaded, only designed thereby to obtain a Compliance with some equitable Demands.—And thus, by such an Appointment; we, and a vast Number of our most worthy Constituents, are deprived of all Hopes of ever seeing an End put to the fatal Dissentions of our Country; it being our firm Opinion, that any further Prosecution of the Measures for a Change of our Government at this Time, will lay the Foundations of unceasing Feuds, and all the Miseries of Confusion, among the People we represent, and their Posterity.—This step gives us the more lively Affliction, as it is taken at the very Moment, when we are informed by a Member of this House, that the Governor has assured him of his having received Instructions from the Proprietors, on their hearing of our late Dispute, to give his Assent to the Taxation of their Estates in the same manner that the Estates of other Persons are to be taxed, and also to confirm, for the Public use, the several Squares, formerly claimed by the City.—On which Subjects, we make no doubt, the Governor would have sent a Message to the House, if this had been the usual Time of doing Business, and he had not been necessarily absent to meet the Assembly of the Lower Counties.—And therefore we cannot but anxiously regret, that at a Time when the Proprietors have shewn such a Disposition, this House should not endeavour to cultivate the same, and obtain from them every reasonable De-
