of this Kind, well assorted, has been long with'd
for in Frederick Town, he has studied Correspon-
dence at Philadelphia and Annapolis to forward his
Goods, as soon as they arrive from London, as he
intends importing them fresh by every Vessel, so
that he will be always well assorted. It will be a
great Esteem to the Physicians in these Parts, to

TO BE RENTED for Seven Years

THREE pleasant situated Plantations, on the
Head of Gunpowder River, in Baltimore
County, opposite the Town of Jessa, where every
Thing, as soon as made, is at Market; there is
plenty of Houses, Meadows, and Fences, with a
Number of Conveniences, too tedious to mention.

EDWARD DAY.
N. B. That the Tenant may not be obliged to
sell what he makes at an under Rate to raise his
Rent, nine Calendar Months will be given him in
his Lease; after the Year expires, to sell his Pro-
duce; to raise his Rent, which will afford him an
Opportunity of embracing the best Market, with-
out being hurried: They are to be enter'd on the
First of January next.

RAN away from the Subscriber living in Cal-
County, about the Middle of 1797, last Negro
Parran, a tall, very young Fellow, he is a Car-
penter by Trade, and is very handy; it is said
that he has about him a Silver Watch, a Pair of
Silver Shoe Buckles, a Country made Cashor Hat,
and a brown Wig.

Whoever takes up the said Negro, and brings
him home, or secures him so that his Master may
get him again, shall have Four Pounds Reward,
paid by Young Parran.

TURE, &c.

At the said Store is put up in the best
Machinery, and with the greatest Care,
THE NEW MEDICINE CHEST,

Which, to those that have already tried, has given
the greatest Satisfaction. The Directions are print-
ed, and have been well approved of by some of
the first Physicians on the Continent. As we pro-
pose to apply our whole Attention to this Business,
(the first of the Kind in the Province) and shall
constantly keep a full and complete Assortment of
every Thing in our Way, we hope thereby to
merit the Encouragement of the Public.

We shall Import regularly twice a Year, but if
we should run short of any Articles before the Ar-
rival of our Importation, we shall supply such De-
ficiency from our Drug-Store in Philadelphia, as
there are weekly Opportunities from thence to the
Place; so that our Customers may always depend
on having their Orders compleatly executed, with-
out any Difference of Price.

N. B. Conveyance as usual, by Way of Mes-
sieurs Middleton and Reist.

WILLIAM KNAPP, WATCH-MAKER,

TAKES this Method to acquire the Pub-
lic, that he has provided an Assistant in the
WATCH-MAKING BUSINESS, which will
enable him the better to Dispatch the Work of
those Gentlemen who have, and may employ him:
He hopes his past Endeavours in that Way, may
have answered the desired End. It is manifest
from daily Experience, that Numbers of Watches
(which have been originally well executed) have
severely suffered thro' the unskillful and injudicious
Practice of some Men, who assumed the Knowledge
of a Business to which they were only Pretenders.
Those Watches, which have been many Years in
Use, and consequently Wore, he will engage to
Mend, as well as when New, and will at a very
moderate Expence keep, those he Repairs, in Or-
der, for Ten Years, all Damages excepted which
may accrue to 'em from Accidents, such as a Fall,
and the Breaking of a Main Spring, which the most
discriminating Workman cannot often Account for,
nor the ablest prevent.

He Makes, and will Supply any Gentlemen with
HORIZONTAL, SECONDS, or PLAIN WATCHES,
and will engage the Quality to be equal to any
Imported from London.

RAN away from the Subscriber, living near
Annapolis, about the last of June, a Married
Fellow named Corus, about 5 Feet high; he is
bow leg'd, his Toes incline to turn inward; he is
a down Look, and is slow of Speech; he has
black Hair, which turns much. Had on a Cloth
colour'd Waistcoat, with yellow Metal Buttons,
an Osnabrigs Shirt, and old Leather Breeches.

Whoever brings the said Fellow home, shall
have Twenty Shillings Reward: If taken out of
the Province, Forty Shillings, and reasonable
Charger, if brought home; paid by
GEORGE HOBKINS, Junior.
