

By a Letter from Barbados, of the 28th of January, we are informed, That several Vessels from this Province, and Virginia, have lately been Seized there, and were expected to be Condemned, for Want of a Certificate from the Officers of the Customs of the Loading Port, setting forth, That the Captain, before he took on Board any enumerated Goods, had given Bond, with Security in the Penalty of One Thousand Pounds, agreeable to the late Act of Parliament, obliging Himself to Land 'em in some of the British American Colonies; with Condition, That if he took on Board any Molasses, Syrups, or Paneles, from either of the Islands not under the Dominion of his Britannick Majesty, he should carry the same, without Fraud, or wilful Diminution, to some of our Plantations in America, &c.

Saturday Night last, we had a Storm of Snow, and on Sunday Morning it was above Mid-Leg deep on a Level; but it is now all gone.

Such has been the Success by Inoculation in this City, for the Small-Pox, since it's Spreading, that no One has Died, tho' Hundreds have been Inoculated.

NOTICE is hereby given, That any Letters remaining in the Post-Office of those which were Advertised in Gazette N<sup>o</sup>. 1035, will be sent to the General-Post-Office on Monday the 8th Day of April, without fail.

ANTHONY STEWART, D. P. M.

J. Price, Prop.

RAN away from the Subscriber, in Northumberland County, Virginia, a Convict Servant Man named James Irwing, imported last May from London into Patowmack, by the Trial, Capt. McGachin. He is a stout swarthy looking old Fellow, pretends to have been many Years Boatswain of a Ship, and seems to understand the Business very well. Had on a close Pea Jacket and Breeches of coarse blue Cloth, with black Horn Buttons and lapelled Breasts (tho' he has probably other Cloaths with him) looks almost as dark as an Indian, and wears his own black curly Hair, a good deal mix'd with grey. He and another Sailor from the Virginian, in Wicomico River, stole a Canoe, and were since seen on the Tangier Islands, on their Way up the Bay. It is imagined they will push for Philadelphia; tho' Irwing pretended he was born in Maryland, and had a Right to some Land and Negroes in Somerset County. The other Sailor is a tight well looking little Man, and pretended also to be a Boatswain. Whoever apprehends the said Irwing, and so secures him that he may be had again, shall have Three Pistoles Reward; and if brought home, or on board the said Ship, Five Pistoles, paid by

DAVID GALLOWAY.  
N. B. They will probably endeavour to get on board some Vessel outward bound: All Masters are forewarned from taking Irwing at their Peril.

STOLEN from the Subscriber, on the Night of the 19th Instant, a Bay Horse, near 13 Hands high, is about 14 Years old, trots and gallops, and is a good Plow Horse. The Villain who Stole him, left a Bay Mare with Foal, about the same Height and Age, paces slow, has a few grey Hairs in her Forehead, a Switch Tail, and hanging Mane, and has been used to the Draught.

Whoever will bring the said Horse to the Subscriber, and apprehend the Thief, so that he may be brought to Justice, shall receive Twenty Shillings Reward. And whoever owns the said Mare, may have her again, on proving his Property, and paying the Charge of this Advertisement.

ANNE CHAPMAN.
