**T**HE Subscribers beg Leave to inform the PUBLIC, That they have lately Erected, at *BALTIMORE-TOWN*, in *MARYLAND*, A DISTILLERY for making RUM; which, (by many good Judges who have seen it) is allowed to be one of the largest, completest and best constructed STILL-HOUSE of any in *NORTH-AMERICA*: And having furnished themselves with an expert DISTILLER, and a plentiful Stock of MOLASSES, they purpose to carry on the DISTILLING BUSINESS extensively, and to supply constantly the Demand for Home-made RUM, at nearly the same as the *Philadelphia* Prices, at least on much lower Terms than the Province of *MARYLAND* has been generally supplied with that Article. The RUM already made by them has been highly approved by the best Judges, and deemed superior to either *Philadelphia* or *New-England RUM*; and they hope to give Satisfaction to the Public, as well as maintain their own Reputation, by continuing to make always of the same approved Quality.

As this Undertaking is so well calculated to promote the general Trade of the Province, and so convenient for supplying the Country Traders, Farmers, &c. who bring their Produce to *Baltimore Market*, as well as to promote the private Emolument of the Owners; it is hoped the Public will give proper Encouragement to a Branch of Trade so useful, and so much wanted in the Province.

Any Gentlemen wanting Quantities of RUM for Exportation, by giving timely Notice may be supplied, and proper Allowance made to such, by Their humble Servants,
