The Situation is very convenient for either a Merchant or Tavern Keeper. Also a Lot of Ground in the Town of *Nettingham*, whereon is a very good Stone-House 30 Feet square, with a good Store Room, Lumber Room, Compting Room, with a Brick Chimney thereto, and a Lodging Room, on the first Floor: Above Stairs there is Three good Rooms, completely finished, and in good Repair; there is also a good Cellar under the House, the full Size thereof, with Three convenient Rooms therein. THE Subscribers beg Leave to inform the PUBLIC, that they have lately Erected, at BALTIMORE-TOWN, in MARYLAND, A DISTILLERY for making RUM; which, (by many good Judges who have seen it) is allowed to be one of the largest, completest and best constructed STILL-HOUSE of any in NORTH-AMERICA: And having furnished themselves with an expert DISTILLER, and a plentiful Stock of MOLASSES, they purpose to carry on the DISTILLING BUSINESS extensively, and to supply constantly the Demand for Home-made RUM, at nearly the same as the *Philadelphia* Prices, at least on much lower Terms than the Province of MARYLAND has been generally supplied with that Article. The RUM already made by them has been highly approved by the best Judges, and deemed superior to either *Philadelphia* or *New-England* RUM; and they hope to give Satisfaction to the Public, as well as maintain their own Reputation, by continuing to make always of the same approved Quality.

As this Undertaking is so well calculated to promote the general Trade of the Province, and so convenient for supplying the Country Traders, Farmers, &c. who bring their Produce to *Baltimore* Market, as well as to promote the private Emolument of the Owners; it is hoped the Public will give proper Encouragement to a Branch of Trade so useful, and so much wanted in the Province.

Any Gentlemen wanting Quantities of RUM for Exportation, by giving timely Notice may be supplied, and proper Allowance made to such, by Their humble Servants, SAMUEL & ROBERT PURVIANCE, & Comp.
