WHEREAS the Subscriber's Worldly Affairs are so circumstanced that he is under a Necessity of leaving this Province in a short Time, in Order to settle them, and the many Favours he has already received at the Hands of many of the Gentlemen residing here, encourages him to make a further Trial of their benevolent Disposition in helping him to dispose of the Tickets in the following LOTTERY, whereof a Scheme is annexed. The House and Store are situated in the most advantageous Spot of Ground for Trade in the City of *Annapolis*, and at these dull Times would be reckon'd very reasonable at the yearly Rent of Fifty Pounds Currency, so that whoever gets the two first Prizes will lay out his Money well, and should it so happen that two are concern'd, they will see their Advantage in selling out or buying in as they can agree. The Land is situated in *Dorchester County*, very valuable, and could the Subscriber wait for the Money, would sell among the Neighbours, for as much Sterling as it is valued at present in Currency; it will be divided in Three equal Lots of 45 Acres, for the Conveniency of Buying or Selling. The remaining 127 Tickets are to be paid off in *European* Goods, rated very low in *Pennsylvania* Currency.

As the Sale of the Tickets in this Lottery, will enable the Subscriber to get clear of all the Effects whereof he stands at present possessed in this Province, in a speedy Manner, he takes this Method of acquainting the Public, that their good Offices in assisting him to perfect the same, will never be forgot by him, and to convince them that the Whole will be carried on with the greatest Integrity, he has made Choice of the following Gentlemen in this City to be Managers of the Whole in his Absence, and they are empowered to make Deeds to the fortunate Adventurers for the Houses and Land, and deliver the several Goods, as numbered in their respective Lots.
