The other, named Beauty, a little taller, with some Guiney Marks in his Forehead. Lewis cannot Read: I think he has a large scar on one of his Shoulders, occasioned by a broad Sword. IT was asserted, before the Committee of Propositions and Grievances, at Williamsburg, that I dared not attend at Winchester, to give my Deposition, on Account of some heinous Misdemeanors I had been guilty of in Virginia. This Assertion is a most infamous Falshood, and Thomas Rutherford in Winchester, late Burgess of Hampshire, is the Author of it.

We gratefully acknowledge the obliging Disposition already shewn by the Public to encourage our Undertaking of the RUM DISTILLERY, and venture to hope for the further Continuance of their Favour, in carrying on a Scheme of such apparent Utility to the Trade of the Province; more especially at a Juncture when the Necessity, as well as Advantage, of promoting our own Manufactures, is become so very apparent. It is with singular Satisfaction we find our Hopes so fully answered, by the general Approbation given our RUM for its superior Quality; and we are determined to support its Character, should our Profits be ever so small. Some Obstacles that hitherto prevented our Distilling so fast as expected being removed, the Business of the Distillery is now carried on by us in the most extensive Manner, by which Means, having a constant Stock of Rum on Hand, our Friends, either in this or the neighbouring Provinces, may depend on being always well supplied. Importers of MOLASSES may depend on constant Purchases of the same, for which we shall always allow the Philadelphia Prices; or be willing to contract with Gentlemen inclined to import Molasses, before their Vessels go out. 2 SAMUEL & ROBERT PURVIANCE.
