Extra of a Letter from London, dated Feb. 22.

"The House of Commons, after employing three Hours and an Half preparatory to the Debate on the American Question, Mr. C...y began it; and having expatiated some Time on the Situation of America and this Country, inferred, that it was necessary to repeal the Stamp and Admiralty Act immediately; and made a Motion to that Purpose: He was seconded by Mr. C...per, Sec...y to the Tre...y. To him C. Jenk...n replied, he acknowledged the Imperfection of the Act, and moved, that the Words *Alter and Regulate* should be inserted, instead of the Word REPEAL. The Att...y Gen...l answered him, in Favour of the Motion, and acknowledged, that from the Evidence which had been produced to the House, his Conviction arose, of the Necessity for the immediate REPEAL. Mr. El...s then arose, in Favour of the Act. Mr. B...ke (your Countryman) replied, he was remarkably great. About Eleven o'Clock Mr. P... (who went to the House in Flannels, and with Crutches) arose; he spoke an Hour in Favour of the REPEAL, and in the Course of his Speech, paid great Compliments to Mr. Con...y and Mr. B...ke. G. G...le was the next Speaker; he was interested to defend his Measures, as he advised the Act; and, so far as he had any Foundation to proceed upon, was not unentertaining.—The Question, between One and Two, was called for. On the Division, the Number in Favour of the Repeal was 275, Against it, - - - 167.

INTELLIGENCE EXTRAORDINARY.

We hear that the truly great WILLIAM PATRIOT, Dying without Issue, the Title is extinct. He married in the Year 1745, the LADY ALBION LOVELY, a lineal Descendant from the QUEEN OF ISLES, whose Estates he soon Cleared of a numerous Gang of Banditti, with which they were then infested. It is also said, that his most amiable Lady but just survives him, having been for some Time afflicted with excruciating PAINS IN HER BOWELS, owing to her Credulity in employing a NORTHERN QUACK, who, in the Absence of her Surgeon, Mr. HAYES, most arrogantly undertook to cure her of some Wounds she received in Defending herself from TWO BULLIES. Mr. HAYES, upon Examination, found the Applications were inadequate, and that nothing but the Use of Gunpowder, Lead, Iron and Steel, continued for some Time, could have restored her to perfect Health. She therefore has called a Meeting of her REAL FRIENDS, and, if they agree to it, will prosecute the said Quack, unless in the Interim, he should by Flight put it out of her Power.

ANNAPOLIS, April 24.

The GENERAL ASSEMBLY of this Province is to meet here, on Monday Sev'nnight.

Last Month a very melancholly Accident happen'd in Baltimore County: A Negro Quarter of Mrs. Orrick's took Fire about Sunset, on a very calm serene Evening, and tho' the Family were not far off from it, no Body discover'd it, till it had got to too great a Head to be extinguished. There was an old Negro Woman, and Three Negro Children in it, who all Perish'd in the Fire: The distressed Mothers of the Children, would have rush'd into the Fire to take out their Children, but must have Perish'd with them, if they had not been held.

I acknowledge the Receipt of the Piece, signed by a Majority of the Gentlemen of the last Mayor's Court-Grand-Jury, in Reply to that inserted in the Gazette, No. 1071, which was signed by the worshipful Mayor, and a Majority of the Aldermen; but it is too long to find a Place in this Week's Paper, and must be postponed 'til next Week.

The political Piece, ON THE RIGHT TO THE TONNAGE, &c. STATED, in a Letter, Advertis'd last Week to be published *this*, would have been Publish'd on Saturday next, had not SAINT GEORGE AND THE DRAGON, Stopp'd the Press a whole Day; but it will be Publish'd on Monday next.

FIVE PISTOLES REWARD.

RAN away last Night, from the Subscriber's Plantation in the Barrens of Baltimore County, an Indented Servant Man, named James Sertain, born in the West of England, and talks much in that Dialect, near or quite 6 Feet high, slim made, has a down roguish sulky Look, about 50 Years of Age, wears his own Hair which is of a dark brown, some grey Hairs in his Beard, and Bald on the Top of his Head: Had on and took with him, an old brown Cloth Coat, brown Kersey Breeches, white Cotton Jacket, Osnabrig Shirts, coarse white Yarn Stockings, old Castor Hat, and old Shoes. He had on an Iron Collar when he went off, but as he is a grand Villain, imagine he soon got rid of it, and will probably change his Apparel. He served 7 Years with Charles Carroll, Esq; at the End of which Time, suppose he got a Discharge, by which he will endeavour to pass.

Whoever takes up the said Servant, and delivers him to the Subscriber, living on Elk-Ridge in Anne-Arundel County, or to Alexander Todd at the said Plantation, shall receive as a Reward, if taken 20 Miles from home, Twenty Shillings; if 30 Miles, Forty Shillings; if 40 Miles, Fifty Shillings; if 50 Miles, Three Pounds; and if out of the Province, Five Pistoles, paid by April 17, 1766. (11) JOHN DORSEY.

RAN away from the Subscriber, living in Chester-Town, Kent County, on the 17<sup>th</sup> of this Inst. April, a Welch Servant Man, named John Williams, about 25 Years of Age, about 5 Feet 8 Inches high, wears his own short dark Hair tied behind, and cut short before, has a great many Pimples in his Face, speaks pretty much in the Welch Dialect, one of his Legs is shorter than the other, he walks with his Toes inward, and is a thick set Fellow: Had on, and with him, when he went away, an old whited brown Coat with short Skirts, an old blue Jacket without Sleeves, Leather Breeches, several Pair of Worsted Stockings, and a Beaver Hat almost worn out; several Shirts not made up, of good white Linen, with some Check Shirts half worn out, and a Pair of half worn Shoes.

ALSO, Ran away from the Subscriber, living in Kingston, Queen-Anne's County, a Welch Servant Man, named John Lewis, about 5 Feet 9 Inches high, upwards of 20 Years of Age, wears his own yellowish Hair untied, has a light colour'd Great Coat, the Rest of his Cloaths unknown: They are both gone together, and are suspected to be gone in a Shallop to Virginia, as they stole a Canoe from Queen-Anne's, in Order to go to the Shallop, which was lying by for them, and was seen talking with the Master of said Shallop. Therefore, Whoever secures said Servants, so as their Masters may have them again, shall receive TEN POUNDS if taken in the Province, and TWENTY POUNDS if taken out of the Province, one Half to be paid by John Bolton, if the former is took up, and the other Half to be paid by John Bennet, if the latter is took up, and all reasonable Charges paid by the Subscribers. JOHN BOLTON, Merch. and JOHN BENNET, Queen-Anne's.

RAN away from Port-Tobacco in Charles County, on Wednesday the 26<sup>th</sup> of March last, an English Servant Lad, named Joseph Smith, about 19 Years of Age, wears his Hair which is white, and Talks somewhat like a Negro: Had on when he went away, a grey Bearskin Cap, and a brown superfine Cloth Jacket, both pretty much worn, a Pair of Forrest Cloth Breeches, Stockings, and Shoes with black Buckles.

He crossed South-River Ferry the Day following with another little Boy, and is suspected to have gone towards Baltimore.

Whoever secures the said Servant in any Jail in this Province, shall have Forty Shillings Reward, and if brought home to the Subscriber FIVE POUNDS Pennsylvania Currency, paid by (2) JOHN SEMPLE.

RAN away from the Subscriber, in Northumberland County, Virginia, a Servant named Samuel Holmes, by Trade a Taylor, 5 Feet 5 Inches high, has a remarkable yellow Spot on the Outside of one of his Knees, 'tis said by the other Servants to be on the left Knee, and on the Instep of the other Leg there is a very large Scar, he Stammers in his Speech, is Bow legged, and Rolls much in his Walk: Had on a dark Cloth Coat, with white Lining, and Metal Buttons. I expect he will change his Name and Dress; but the above Description of his Person, &c. will always discover him. He ran away once before, and was taken up at Chester, in Pennsylvania; he then had a forged Pass, and went by the Name of John Harris, but his Knee discovered him. It is supposed he has got a forged Pass. He has told the other Servants he would get on board some Vessel going to Sea, it is therefore begged of all Captains of Vessels not to carry the Rogue away, but to send him on Shore to Justice. He has been long in the Country, and, by his cunning Enquiry, knows most Places, and the Names of the Counties, and the most noted Persons in Pennsylvania, Maryland, and Virginia.

Whoever secures said Servant, so as he may be had again, shall receive Five Pounds Reward, from March 12, 1766. WILLIAM FAITS.
