To the MARYLAND GAZETTE, [N^o. 1080.]

ANNAPOLIS, May 22, 1766.

Taffer, and by him sold into Virginia, at Whitehall on the North Side of Severn in Anne Arundel County, and will cover this SEASON at Four Guineas, and fillings to the Groom; the Money to be before the Mares are taken away. ROBERT GAY.

S E L I M,
WILL Cover MARES this SEASON, at TULIP-HILL, at Four Guineas a Mare, and fillings the Groom; the Money to be before the Mares are taken away; and for a Foal will be insured, or the Money Returned. Good Pasturage, and particular Care will be taken of the Mares, by
JOHN CLARVOE.

T O B E S O L D
AT THE
MARLBOROUGH BREWERY,
LONG BEER and PORTER, at Eighteen Pence, and ALE at a Shilling a Gallon, a Currency, in Cask, equal in Goodness to that can be imported from any Part of the World: As nothing but the genuine best Malt will be used, without any Mixture or Addition whatsoever; which if the many Treatises published in Great-Britain, did not seem to be frequently used there, the Experience of those who have drunk those Liquors imported from thence, would point out to be the cause of their pernicious Effects. A severe Treatment we have lately received from our Mother-Country, would; I should think, be sufficient to recommend my Undertaking (tho' I am not able to come up to the English) which I don't question constantly to do. I am satisfied, that the Goodness of every commodity is its best Recommendation, I principally rely upon that for my Success; and my own having expended near Eight Thousand Pounds, to bring my Brewery to its present State, and the best Security I can give the Public to assure of the best Usage, without which, such an Undertaking cannot be supported with Credit. Casks to be paid for at the Rate of Four Shillings for Barrels, Five Shillings for those between Forty and Fifty Gallons, and a Penny Allowance for all above Fifty Gallons; but if returned in good Order and Sweet, by being well Scalded as soon as emptied, the same shall be returned or discounted. Person who sends Bottles and Corks, may be paid for them as they are carelessly filled and corked with Beer, at Six Shillings, or with Ale at Four Shillings the Dozen. I expect in a little Time to have a constant Supply of Bottles and Corks, and at the Encouragement I hope for, propose to have a Glass-House for making Bottles, and other proper Vessels to deliver to such Customers as favour me with their Orders, such as they direct, at the several Landings they being determined to give them all the Satisfaction in the Power of
Their most Humble Servant,
J. MERCER.

The Mares will have good Pasturage for Three Months, if left so long, but must be returned at the Expiration of that Time. There is no Occasion to give his Pedigree, which was published in the Virginia Gazette, in 1763 and 1764, and that in Virginia and Maryland are a much better Recommendation. It will be to no Purpose to send any Mare to him without the Money, as he will be received on any other Terms by
ANDREW MONROE.
