Vienna, May 23, 1766.
WHEREAS a most scandalous, malicious and groundless Report has been raised and propagated, by Isaac Loyd of this Town, to the great Prejudice of us the Subscribers, viz. that, lately, we have Maltraited the Picture of the Right Honourable William Pitt, Esq; in a Manner unworthy the truly Patriotic Behaviour of that Gentleman; and as the said wicked Report hath met with some Degree of Credit, we look upon it as an indispensable Duty we owe ourselves, to trace such Malice to its Foundation, strip it of all the Artifices and Disguises in which he has wrapp'd it, that the Falshood may be discovered by the impartial Eyes of the Candid; (first of all) he was ask'd if ever he mentioned any Thing of the above Report, to the Sons of Liberty of Somerset and Worcester Counties, which he strenuously denied before Col. John Henry, and other Gentlemen; sometime after, upon receiving certain Accounts of his being the Propagator of the above Report, he was again questioned as above, when he acknowledged some of the Circumstances as follows; that he told the Sons of Liberty aforesaid, that some Gentlemen Scotchmen in Town, had propos'd to destroy the abovementioned Picture, and that it was opposed by others, and not destroyed; that this is all he told them, and if they reported any more, it was intirely added to it by themselves: We are fully convinced, that the Sons of Liberty did not report any more that what was told them by Loyd, and express our most grateful Acknowledgments to these Gentlemen for putting it in our Power to clear ourselves, of a Report so prejudicial to our Character, and so inconsistent with our former Conduct; he acknowledges the Lie, in Part, and upon being asked to do it in Writing, refused, and said it was better other People should make it appear he was a Liar, than himself; from what has been said, we hope the Public will be convinced of our Innocence of the above: And we farther declare, that the abovementioned Picture, or any other, was never Maltraited in this Place, to the best of our Knowledge.
