THE MARYLAND LOTTERY.

IT is thought proper that the Public should be acquainted with the Quality of the Land (lying in Kent County) which make a Part of the Prizes.

It is chiefly uncultivated, abounds with great Plenty of Stave, Plank, white and red Oak, and Ship Timber.

There is also a great deal of low flat Land, capable of producing Hemp, and making excellent Meadows; a large Range of flat Land for Cattle, Hogs and other Wood Stock; the Woods producing great Quantities of Acorn Mast; it lies convenient for the Head of Chister and Sassafras Rivers, and Duck-Creek.

Upon the Whole this Estate is capable of producing very great Profit to Persons who give the least Attention to the Improvement of Land. Kent is the Garden of the Continent, nay, there is not a County in the Dominion of Great-Britain superior to it.

The Scheme consists of Eight Thousand Tickets at Two Dollars each, all are Prizes, which will be delivered to the Adventurers at New-York, Philadelphia, Boston, and the Place of Drawing, Annapolis.

A few Tickets still remain unsold, occasioned by the late total Stop to Business and other Discouragements too obvious to be related, but now, the whole Empire is rejoicing on the Triumph of a most righteous Administration over the Enemies of America, the Proprietor hopes this Design will engage the Attention of the Public, and that the Sale of the Tickets will soon be completed, as the Time for Drawing is at Hand.
