

ANNAPOLIS, August 6, 1766.

THE little Regard which has been paid to the Subscriber's Advertisement heretofore published, requesting all Persons, without Exception, who were indebted for Dealings in his Store before Mr. Clarke's Death, or on any other Account, to pay off, or otherwise finally settle their respective Balances, induces him ONCE MORE to acquaint them, that his determin'd Resolution is, soon to depart hence for England, and that every Person neglecting to pay off, or by delay refusing to settle their Accounts to his Satisfaction, may depend, very shortly, upon being Sued without Distinction, as it is his Intention, absolutely to settle every Matter respecting his Property before his Departure, the Time of which will not admit of any further Requisition, so that this must be deemed a legal Demand, preceding Actions being commenced without further Notice by,

CHARLES WALLACE.

As he has been in the Country before, it's probable he will give a good Account of himself, and pass for a sailor, as he may dress in a Sailor's Habit.

Richard Harbitt, a young Fellow, about 20 or 21 Years of Age, smooth Face, and wears his own Hair: Had on and took with him, an old Felt Hat, red Kersey Jacket, old white Shirt, two Osnabrig ditto, short Russia Drab Breeches, Crocus Trowsers, and no Shoes that are known of.

Whoever takes up the said Servants so that their Master may get them again, shall have a Reward of Four Pounds for Jenkins, if taken Twenty Miles from Home, and if taken from on board of any Vessel, outward Bound, Six Pounds, and reasonable Charges if brought Home: And for the other Forty Shillings, paid by

Whoever takes up the said Servant, and secures him in any Goal and give Notice thereof, so that his Masters may get him again, shall have, if taken in the County Forty Shillings, if out of the County Three Pounds, and if out of the Province Five Pounds Reward, and reasonable Charges if brought Home, paid by

NOTICE is hereby given to the preceding Subscribers for Lots of Ground, in a Plan laid out for a Town on FELL'S POINT, Patuxent River, to pay their several Arrearages, or they will be proceeded against in the Courts of Justice (tho' much against my Inclination) but, as several Persons have subscribed and entered into Articles for Lots on said Point (thereby depriving others) the Rents thereon lie unpaid, and other Matters not comply'd with, I must take that Method to put such in Mind of what is Justice relating to such Engagements, unless timely prevented.

And whereas some Persons, from peevish Views, have been industriously industrious in spreading a Report, that the Title to the Lots of Ground on said Point (in Edward's Fee) was disputable precarious and doubtful, in order to intimidate Strangers, and as much as in their Power prevent every one from taking or improving Lots on the Point; this is to give Notice to the Public, that the Subscriber will give Attendance on said Point, and will clear up the Title to every generous and unbiased Mind to be good. Other Means have been made use of to prevent the Settling of Fell's Point, as the Water bad (and better could not be expected) and the Point not healthy, &c. the former has been proved false to a Demonstration, and the latter the Inhabitants in the Course of last Summer can answer to, how long they may be favour'd with better Health than their Neighbours, Time only can shew. There are several valuable Lots on the Point that have been heretofore subscribed for, which are now free from such Subscription, and will be Sold or Let to the first that offers, by a Power invested in the Executrix.

For Terms apply to JOHN BOND, for ANNE FELL, Executrix of Edward Fell.
