NOTICE is hereby given to the preceding Subscribers for Lots of Ground, in a Plan laid out for a Town on FELL'S POINT, Patapsco River, to pay their several Arrearages, or they will be proceeded against in the Courts of Justice (tho' much against my Inclination) but, as several Persons have subscribed and entered into Articles for Lots on said Point (thereby depriving others) the Rents thereon lie unpaid, and other Matters not comply'd with, I must take that Method to put such in Mind of what is Justice relating to such Engagements, unless timely prevented.

And whereas some Persons, from penurious Views, have been insidiously industrious in spreading a Report, that the Title to the Lots of Ground on said Point (in Edward Fell) was disputable, precarious and doubtful, in order to intimidate Strangers, and as much as in their Power prevent every one from taking or improving Lots on the Point; this is to give Notice to the Public, that the Subscriber will give Attendance on said Point, and will clear up the Title to every generous and unbiased Mind to be good. Other Means have been made use of to prevent the Settling of Fell's Point, as the Water bad (and better could not be expected) and the Point not healthy, &c. the former has been proved false to a Demonstration, and the latter the Inhabitants in the Course of last Summer can Answer to, how long they may be favour'd with better Health than their Neighbours, Time only can shew. There are several valuable Lots on the Point that have been heretofore subscribed for, which are now free from such Subscription, and will be Sold or Let to the first that offers, by a Power invested in the Executrix.

For Terms apply to JOHN BOND, for ANNE FELL, Executrix of Edward Fell.

THE MARYLAND LOTTERY.

IT is thought proper that the Public should be acquainted with the Quality of the Land (lying in Kent County) which make a Part of the Prize.

It is chiefly uncultivated, abounds with great Plenty of Stave, Plank, white and red Oak, and Ship Timber.

There is also a great deal of low flat Land, capable of producing Hemp, and making excellent Meadows; a large Range of flat Land for Cattle, Hogs and other Wood Stock; the Woods producing great Quantities of Acorn Mafts; it lies convenient for the Head of Chester and Sassafras Rivers, and Duck-Creek.

Upon the Whole this Estate is capable of producing very great Profit to Persons who give the least Attention to the Improvement of Land. Kent is the Garden of the Continent, nay, there is not a County in the Dominion of Great-Britain superior to it.

The Scheme consists of Eight Thousand Tickets at Two Dollars each, all are Prizes, which will be delivered to the Adventurers at New-York, Philadelphia, Boston, and the Place of Drawing, Annapolis.

A few Tickets still remain unfold, occasioned by the late total Stop to Business and other Discouragements too obvious to be related, but now, the whole Empire is rejoicing on the Triumph of a most righteous Administration over the Enemies of America, the Proprietor hopes this Design will engage the Attention of the Public, and that the Sale of the Tickets will soon be completed, as the Time for Drawing is at Hand.

The Scheme at large, and the Tickets are to be had of the Proprietor, James Rivington, at Annapolis.

••• The TICKETS are rolling up.
