A Constitutional Tax on the People to support an Agent of the Appointment of the Lower House, has been greatly desired, frequently attempted, and as often refused by the Upper House.

The Lower House of Assembly contend, That the Expence of the Council his reasonable Reward, as well as every other Expence necessarily attending the Execution of the Power of Government, ought to be defrayed out of the Power of the People, and not out of the Pockets of the Members of the Council, and other Members received by the Government for the Support thereof; and, That Sentiment being directly opposite to the Opinion of the Upper House, on mature Consideration, formed upon the Subject of the Clerk of the Council's Claim, the principal occasion of the Non-payment of the Public Debt for upwards of Ten Years: The Distress of Trade for Want of a circulating Medium, and the extreme Necessity of Public Credit, compelled the Lower House to agree to an Appeal to his Majesty in Council, on the Subject Matter of Difference, with out the Allotment of any Public Money for that Purpose, as the only Means to settle Disputes, restore Public Credit, and lay a sure Foundation for the future Ease and Good of the Province.

A Subscription therefore, by Resolution of the Lower House, has been Open'd, and Subscriptions are taken in by every Member, for maintaining an Agent, and supporting the Appeal on the Part of the People, as well as obtaining Redress of their other Grievances; and, by Resolution of the Lower House, as an additional Means of raising Money for the same Purpose, the following SCHEME of a LOTTERY, by which to raise One Thousand Pounds Common Money, is submitted to the Public.
