

begins again to be talked of, but I hope, and believe, without Foundation. Probably this may have been occasioned by somewhat C-----s T-----d threw out one Day in the House of Commons to that Purpose; for I think nothing of this Nature will be soon attempted.---The Assembly of New-York refusing to comply with the Act regarding the Quartering of Soldiers, seems to give some Alarm, as if it indicated a throwing off their Dependence on the Mother Country. I am really sorry for these repeated Misunderstandings, of which I see no End. This Act, however, which was made only for two Years, expires next Month, when perhaps, it may be revived in a less exceptionable Way. I wish Things, in general, were put upon a more solid and permanent Footing between us; for I am certain a Continuance of these Squabbles will tend to the Advantage of neither Side, but must be very agreeable to our common Enemy, who will, in due Time, find their Account in it.

"A very respectable Fleet is now fitting out in our Ports, the Destination of which is variously talked of. Some think it is intended to bring the Portuguese to Reason, in respect to our Trade with them; some, to enforce the Payment of the Manilla Ranfom from the Spaniards; some to defend our Newfoundland Fishery from the Encroachments of the French; and some, to overawe the Colonies, and to maintain the Supremacy of Britain over them.---Perhaps it may have some Regard to all these Services; but this, Time only can disclose.

Extract of another Letter from London, dated a/3 February 14, 1767.

"The Mischiefs arising from the frequent Changes in the Ministry, are too obvious to require a Recital of them.---It has for some Time past been generally hoped and believed, that the present Administration would be more permanent than the former; but now we have Reason to fear immediate and great Changes. The Reasons which are hinted, as likely to occasion them, are, That Lord C-----s frequent and long Indispositions, renders him often incapable of Business; and his great Influence when he recovers his Health, enables him to overthrow any Measures entered into while he is ill, which occasions great Delay in Parliamentary Affairs.---This, it is said, will render his Removal necessary; and should that happen, very considerable Alterations will ensue. Some imagine the D. of B-----d's and Mr. G-----l's Parties will be re-admitted."
