SCHEME OF THE MARYLAND LIBERTY LOTTERY

THE Lower House of Assembly of Maryland have constantly and ineffectually hitherto, since September Hundred and Thirty-nine, RESOLVED, That his Majesty hath no Right to collect Twelve-pence per Hoghead on Tobacco exported.

A Constitutional Tax on the People to support an Agent of the Appointment of the Lower House, has been desired, frequently attempted, and as often refused by the Upper House.

The Lower House of Assembly contend, That the Claim of the Council his reasonable Reward, as well as every other Expence necessarily attending the Execution of the Powers of Government, ought to be defrayed out of the Funds, Feoffitures, Amerciaments, and other Means received by the Government for the Support thereof; and, "That Sentence being directly opposite to the Opinion of the Upper House had, on mature Consideration, formed upon the Subject of the Clerk of the Council's Claim," principally occasioned the Non-payment of the Public Debt for upwards of Ten Years: The Distress of Trade for Want of a circulating Medium, and the extreme Necessity of Public Credit, compelled the Lower House to agree to an Appeal to his Majesty in Council, on the Subject Matter of Difference, with out the Allotment of any Public Money for that Purpose, as the only Means to settle Disputes, restore Public Credit, and lay a sure Foundation for the future Ease and Good of the Province.

A Subscription therefore, by RESOLVE of the Lower House, has been Open'd, and Subscriptions are taken in by every Member, for maintaining an Agent, and supporting the Appeal on the Part of the People, as well as obtaining Redress of their other Grievances; and, by RESOLVE of the Lower House, as an additional Means of raising Money for the same Purposes, the following SCHEME of LOTTERY, by which to raise One Thousand Pounds Common Money, is submitted to the Public.
