

**T**HE Subscriber having taken out Letters of Administration on the Estate of her late Husband, *Mr. Brins Bishop, of Baltimore County, deceased*, requests all the Creditors of the said deceased, to give her speedy Notice of the Amount of their several Claims, therein distinguishing whether they are on Bonds, Bills, Notes, or Accounts, that they may thereby be enabled to ascertain the Amount of the whole Debts, and give the Preference in the first Payments to those, who by Law, are entitled to the same. All Persons indebted to the said Estate, are desired to make speedy Payment.

She requests the Indulgence of the several Creditors, that they would not commence Suits against her, and thereby burthen the Administration with Costs, as they may be assured of her Intention to discharge the Debts, and compleat the Administration with all the Dispatch in her Power.

(37) **MARY PHILPOT**, Administratrix. *Talbot County, December 26, 1767.*

**H**AVING been lately robbed of a considerable Sum of Money, and by good Authority informed, that a Negro Man, commonly known by the Name of *Berry's Abel*, with the Assistance of his reputed Wife, (already in Custody) hath committed the Theft. I do hereby offer a Reward of **THREE PISTOLES**, to be paid to any Person or Persons that shall apprehend and bring him before *John Goldsborough, Esq;* one of the Magistrates for this County. Said Negro is about 30 Years of Age, 5 Feet 9 Inches high, rather lusty than otherwise: Had with him when he went away, a Castor Hat, almost new, a blue Cloth Coat, a Jacket of Country-made Cloth, Buckskin Breeches, a Pair of Boots, and a Great Coat, and in Possession of a light grey coloured Horse, about 14 Hands high. This Fellow, I am told, was formerly a Slave, the Property of *Mr. Joseph Berry*, but lately received his Freedom, as a Step judged absolutely necessary to be taken, in order to quiet effectually some Scruples of Conscience, the Owner religiously entertained, in consequence of his keeping Negroes in Slavery; yet, nevertheless, it is now presumed, that said Negro, hath, since his Change of Condition, had the principal Direction of all the Roguery carried on by the Negroes of his Acquaintance; seeing his present Situation encourages him to offer for Sale (with greater Boldness) the Effects unjustly obtained by them, as the Produce of his own Labour.

*Bladenburg, Feb. 27, 1768.*  
Will be exposed to SALE on Saturday the 9th of April,

**T**HE HOUSE and LOT in *Bladenburg*, where *Mr. Row* lived, and One Hundred and Thirty Acres of LAND, lying near the same. For Title and Terms apply to

**W**HEREAS my Wife, *RUTH WRIGHT*, hath for some Time eloped from me, and hath frequently complained that I turned her away, and that she was apprehensive of violent Usage from me. I hereby publicly declare, that she left me of her own Will, and that her Apprehensions are absolutely groundless, and that I am willing to receive her again, and to live with her in all that Harmony and Concord, which should subsist between Man and Wife.

*Bladenburg, (Maryland) January 1, 1768.*

**I**NTEND to Let, for a Term of Years, (and will give Possession either the ensuing Spring or Fall) about 300 Acres of Land, on the Side of the Eastern Branch of *Potomack River*, at navigable Water, Five Miles from *Bladenburg*, the same Distance from *Georgetown*, and Eight Miles by Water from *Alexandria*; about 130 Acres are improvable Tide Marsh, 20 Acres of which are banked in, and has yielded, by Estimation, 100,000 lb. of Hay, yearly, for Four Years, and the Price of Hay, at the Towns above-mentioned, has always been 4 s. per 100 lb. I shall reserve about 200 Acres to remain in Woods; so that there will be about 170 Acres of level Land to work besides the Meadow. There are 14 Bushels of Wheat, and 15 and an Half of Rye, sowed, and about 30 Acres of fresh Ground for Corn.—The Buildings are sufficient, and the Fences are in fine Order. I intend also to let Five Settlements, of about 100 Acres each, in the Woods, Part of the same Tract.

I want to sell 1500 Acres of Land, 30 Miles from *Georgetown*, near *Potomack River*; 300 of which is fine low Ground, with a large Plantation on it. The rest is Wood Land, good Soil, level, and clear of Stone, but there is no good Spring on the Land.—Also about 1500 Acres of Wood Land, 3 Miles higher. The Soil is good, as level as common, and well watered.—The Purchaser may have Credit, on paying Interest.

**RICHARD HENDERSON.**  
\* \* \* If any one will give a good Price, I will sell the whole Tract on the Eastern Branch, which I proposed to Rent out, and give Credit to the Purchaser, on Condition that Interest be regularly paid; or, I will take Slaves in Payment of any Part, or the Whole.

S C H E M E OF THE

**MARYLAND LIBERTY LOTTERY.**  
**T**HE Lower House of Assembly of MARYLAND, have constantly, and ineffectually, hitherto, since Seventeen Hundred and Thirty-nine, RESOLVED, That his Lordship hath no Right to collect Twentieth Pence per Hogshead on Tobacco exported.

A CONSTITUTIONAL Tax on the People to support an Agent of the Appointment of the Lower House, has been greatly desired, frequently attempted, and often refused by the Upper House.

THE Lower House of Assembly contend, That the Clerk of the Council his reasonable Reward, as well as every other Expence necessarily attending the Execution of the Powers of Government, ought to be defrayed out of the FINES, FORFEITURES, AMENDMENTS, and OTHER MONIES, received by the Government for the Support thereof; and, "That Sentiment being directly opposite to the Opinion of the Upper House had, on mature Consideration, formed upon the Subject of the Clerk of the Council's Claim," principally occasioned the Non-payment of the Public Debt for upwards of Ten Years: The Distress of Trade for Want of a Circulating Medium, and the extreme Necessity of Public Credit, compelled the Lower House to agree to an Appeal to his Majesty in Council, on the Subject Matter of Difference, without the Allotment of any Public Money for that Purpose, as the only Means to settle Disputes, restore Public Credit, and lay a sure Foundation for the future Ease and Good of the Province.

A SUBSCRIPTION therefore, by RESOLVE of the Lower House, has been open'd, and Subscriptions are taken in by every Member, for maintaining an Agent, and supporting the Appeal on the Part of the People, as well as obtaining Redress of their other Grievances; and, by RESOLVE also of the Lower House, as an additional Means of raising Money for the same Purposes, the following SCHEME of a LOTTERY, by which to raise ONE THOUSAND POUNDS Common Money, is submitted to the Public.

"LIFE, without LIBERTY, is worse than DEATH;" TICKETS may be had of any of the Managers, and of most of the Members of the Lower House of Assembly.

\* \* \* There not having been such a full Return of the SALE of TICKETS as could have been wished; rather too many TICKETS to lie on the Risk of the SCHEME, being still unsold; and as the Winter Season will be too far advanced after the *November County Courts*, the MANAGERS have resolved to begin the Drawing, certainly, on the Thursday after the Third Tuesday in *May* next, when many of the Adventurers may attend, with Convenience.—It is hoped by that Time all the TICKETS will be sold, but if they should not, the PUBLIC may rely on the LOTTERY's being then drawn.

THE MANAGERS take this Opportunity to return their hearty Thanks to those Gentlemen, who have assisted in the SALE of TICKETS; and beg they will return any they may have unsold, at least a Week before the Drawing.

FROM AN ENGLISH

Extra'd from a Treatise on the GOUT, by **WARNER, L. L. D. Chaplain**, published January 1768.—*Three Pieces, are founded on the Author's Thirty Years.*

After having discuss'd the Theory Author proceeds to the practical during the Fit, in the following

Account of **DR. WARNER**, Chapcellor, and Author of Ecclesiastical on the GOUT.

When the Fit is Height, if it is greater than usual, it is attended with a great deal of sleepiness, the Prejudice against Opium may relieve the following Preparation

Take Six Drams, Soap of Tartar each Half an Ounce; Nutmeg, powder'd, Three Drams; Saffron, Sweet Spirit of Sal Armoniac, Nine these Ingredients in a Florence Funnel for Ten Days, shaking it now and then for Two, and then pour it off up for Use. Of this noble Medicine Man ought to be without, take Ten or Twelve Drops, if it is attended with a strong Mint or Plague-Water, after received into the Stomach for an Hour, and if in an Hour of Two after is not greatly abated, take Twelve Drops some Time after, of warm Saffron. The Number of Drops must be increased, if the Violence of the Pain, and repeated the Pain requires it, abating Twice the Time, as the Pain abates, 'til the Pain is over, when the Patient may from any more; and thus the Medicine the Fit, which might otherwise last for Three, will be digested in a Fortnight enjoy Ease and Sleep."

"This Medicine in the Gout, formed, if the whole Colledge of Physicians claim against, I will maintain, as if it were required, is as safe as Bread indeed, according to them, 'till the Pain hath been, that I have so often others written upon it but those who this Disorder, and in the Nature of it not been weak enough to acquiesce in the Condemnation of it, I might, no Doctor of my Limbs at this Day, as well as ago. But, being deterred by the raised against it, I have undergone several Fits in my Knees and Feet, in the Months Duration, that I am then incurably lame for ever. At length, most excruciating Fit, when Nature was overpowered, and I had only Three Nine Days and Nights, I was driven when, to my inexpressible Surprize, found it as safe as it was successful, improved it in the Manner above, enjoyed Sleep and Freedom from the Opium digested, the peccant spiration which had been hindered, in a short Time after, I verily believe, 'The Mysteries of Opium revealed,' Dr. Jones, who hath so ably investigated, and distinguished its different Wonders to meet with any Irritation in this Country. From that Time I have used it with amazing Benefit; and Pain to what Degree I please, but to about a Fortnight's Length.

"The Benefit of Perspiration in the Necessity of Sleep to promote it, so certain, if it can be shewn, that Two of the constant Effects of Opium are, as is above directing insensible Perspiration and myself, that there can be no rational Use of it in this Distemper, my hitting upon this Remedy to be of my Life, so it was the principal reason on me to publish this Account. Years, by adhering to a proper Regimen, the Gout to be so moderate, to continue than a Fortnight at a Time, or to be necessary above One or Two Days, therefore, that gouty Patients terrified with Prejudices and Whimsies, entertained about an Opium, not from easing their Pain and shortening this most excellent Medicine, which in Mercy, furnished us with, as Pain. The Reader, however, must not be misled by any other Way of Opium, above prescribed: Crude Opium, and other Particles sticking about it, of the Shops being an Extraordinary Wine, hath retained and aggravated of the Gout."
