Virginia, June 20, 1768.

THE Earl of Tankerville's Concurrence being now had, and in the Country, to the Purchaser I sometime ago made of his Agents, in Virginia, so that Deeds can be had to the Part thereof, in Frederick County, Maryland, I proposed again to dispose off, which prevented its being done when formerly advertised, I now give Notice to all Persons, inclinable to purchase the Whole, or any Part thereof, that it is now on Sale, and can be completed, for which Purpose I will attend at the next August Frederick County Court, (which begins on the Third Tuesday in August) at the House of Mr. Charlton, ready to treat with any Person inclinable to purchase it. It is a Tract of choice good Land, remarkably suitable for Farming and Plantation Business, and very commodiously situate for Trade, being not far from Frederick-Town, and the Advantage of Navigation on Potowmack River, the usual Landing the Boats now carry from, being upon the Land. It is well watered, and has great Quantities of Meadow Ground interspersed amongst it. It contains between Six and Seven Thousand Acres, and is usually known by the Name of COLVILL'S TRACT, called MERRY-LAND. Any Person, who, in the Interim, wants to view or treat for it, may apply to Messrs. John Carrey, Merchant, in Frederick-Town, or Frances Hamilton, at Keep-Trust Furnace, who have Power and Directions to treat for it, or to the Subscriber himself, at Occoquan Forges. It being mostly fine tendable Land, would make a good Settlement for a Number of People wanting to remove and seat themselves in one Neighbourhood. If there was more of them than the Tract could commodiously serve, the Subscriber has 16000 Acres of Land, equally good, on the opposite Side of Potowmack, which will be soon settled out: It is almost adjoining the above Tract, excepting the Separation by the River, on which they might seat themselves contiguous to one another. Should not Purchasers offer soon for it, to the Subscriber's Liking, it will be leased out to good Farmers, there having been many Applications made for it, in that Way, and which can be let out at a very great Rent. Those who formerly applied to purchase, and still incline to do so, on giving Notice, in Time, will have Preference given them.

JOHN SEMPLE.

XXIVth YEAR. ] MARYLAND THUR

CONSTANTINOPLE, June 16. THE Day before Yesterday the Grand Signior's favourite Sultana, named Hadige, was brought to bed of a Daughter. Some fine Fire-Works were exhibited upon this Occasion, Part of which, by some Accident, blew up, and with it upwards of Forty Workmen, who all lost their Lives.

The Plague, which has made great Havock in this Country, happily ceased within these few Days.

LEIPZIG, June 25. They write from Corfica, that General Paoli takes all possible Measures for defending his ordinary Guard consists of 1000 Volunteers. The Students of the University of Corte have formed themselves into a Body, to march wherever there may be the most Danger. Desertion becomes frequent among the French Troops; and the Officers in the Service of that Crown, are resolved to retire, if required to act against their Fellow-Countrymen.

PARIS, July 22. The Day for the Marquis de Chauvigny's Departure for Corfica is not yet fixed; his Lady will accompany him. The Marquis, in Quality of Governor-General of the Island, will fix his Seat at Balthia. M. de Chardon will also reside in the same Place, with the Title of Intendant of Corfica, and First President of the Council.

LONDON. July 19. They write from Corfica, that General Paoli has secured the Approaches to many of his strong Holds, by sinking of Mines, filled with Gunpowder, and ready to be sprung at a Minute's Warning.

It is said that several foreign Vessels are now loading below Bridge, with Ammunition and Stores for the Island of Corfica.

July 23. Letters from Rome mention, that the Pope has desired the Mediation of the Empress Queen in the present Situation of his Affairs.

It is rumoured that certain French Memorials have been couched in such Terms, as plainly denote the Opinion that Court entertains of our present distracted Situation.

There is a Report, that Instructions of a particular Nature were last Week dispatched to the commanding Officer at Minorca.

By some private Accounts, lately received from France, we learn that the Squadron of Men of War, said to be fitting out under the Command of Mons. Bomparr, will consist of 6 Sail of the Line, 4 Frigates, and a Bombketch, manned up to their full Complement, victualled for 4 Months, with 4 Battalions of Marines on board, in order to inure them to the Sea-Service.

Ten Sail of the Line, from those in Ordinary, at our different Ports, are ordered to undergo a thorough Repair, and be got ready for Sea-Service, as soon as these now fitting out are completed, and put to Sea: The Ministry being determined to keep a watchful Eye on the Proceedings and Preparations now making in the different Sea-Ports of France, especially in the Mediterranean.

The Oath, sworn to by Paoli and his Adherents, on the French assisting the Genoise, against the Corsicans, in 1764.

"We have sworn, and we call upon God to witness, that we will all of us sooner die, than enter into any Negotiation with the Republic of Genoa, or return under its Yoke. If the Powers of Europe, and the French in particular, withhold their Compassion for us, and contrive our total Destruction, we will resist by Force; we will fight like desperate Men, determined either to conquer or die, 'til our Strength being quite exhausted, our Arms fall out of our Hands, and when we have no Strength to take them up again, when all the Resources of our Country shall be exhausted, our Despair shall furnish us with the last, which shall be, to imitate the famous Example of the Sagittines, by rushing voluntarily into the Fire, rather than submit ourselves and our Posterity to the insupportable Yoke of Genoise Tyranny and Slavery."

In a few Days will transpire a Piece of Ministry News, relative to Corfica, which will give great Satisfaction to the Public.

It is rumoured that an Ambassador at a foreign Court has been ordered to take his Leave within a Month, except some Concessions are made respecting certain Proceedings in the Mediterranean.

It is certain that Lord Rochford is coming over to Paris, but it is the Opinion of those who know something of our present Situation with France, that his Lordship's private Business, but to the ticklish nature of Affairs between us, and that eternal Court, is to be attributed his intended Return home. It now being known, beyond a Doubt, that the arrogant Answer, mentioned in the Papers, has given to the Representations of the Earl, our Ministry in respect to the demolishing of a very principal of the Fortifications of Dunkirk.

By this Day's Mail, we are informed from Rome the 22d Ult. that a Body of 180 Neapolitan have forcibly taken Possession of Ponte-Corvo, that the Troops of the French King have also done the same by the Town of Avignon, and the whole of Venafian.
