Virginia, June 20, 1768.
THE Earl of Tankerville's Concurrence being now had, and in the Country, to the Purchases I sometime ago made of his Agents, in Virginia, so that Deeds can be had to the Part thereof, in Frederick County, Maryland, I proposed again to dispose off, which prevented its being done when formerly advertised, I now give Notice to all Persons, inclinable to purchase the Whole, or any Part thereof, that it is now on Sale, and can be completed, for which Purpose I will attend at the next August Frederick County Court, (which begins on the Third Tuesday in August) at the House of Mr. Charleston, ready to treat with any Person inclinable to purchase it. It is a Tract of choice good Land, remarkably suitable for Farming and Plantation Business, and very commodiously situate for Trade, being not far from Frederick-Town, and the Advantage of Navigation on Potowmack River, the usual Landing the Boats now carry from, being upon the Land. It is well watered, and has great Quantities of Meadow Ground interspersed amongst it. It contains between Six and Seven Thousand Acres, and is usually known by the Name of COLVILL'S TRACT, called MERRYLAND. Any Person, who, in the Interim, wants to view or treat for it, may apply to Messrs. John Carrey, Merchant, in Frederick-Town, or Frances Hamilton, at Keep-Trife Furnace, who have Power and Directions to treat for it, or to the Subscriber himself, at Occoquan Forges. It being mostly fine tendable Land, would make a good Settlement for a Number of People wanting to remove and seat themselves in one Neighbourhood. If there was more of them than the Tract could commodiously serve, the Subscriber has 16000 Acres of Land, equally good, on the opposite Side of Potowmack, which will be soon settled out: It is almost adjoining the above Tract, excepting the Separation by the River, on which they might seat themselves contiguous to one another. Should not Purchasers offer soon for it, to the Subscriber's Liking, it will be leased out to good Farmers, there having been many Applications made for it, in that Way, and which can be let out at a very great Rent. Those who formerly applied to purchase, and still incline to do so, on giving Notice, in Time, will have Preference given them.
JOHN SEMPLE.
