**THE Honourable the Commissioners** of his Majesty's Customs, observing that Ships and Vessels frequently incur Forfeitures, and their Owners become subject to heavy Penalties, thro' the Misconduct or Negligence of the Masters and Seamen; and particularly by the Masters not making true Reports of their Cargoes, which they sometimes pretend they are not able to do, from the Manner that they take in their Loading at Foreign Ports: And at other Times they pretend that the Seamen take on board private Ventures, and secrete the same from their Knowledge, so as to be landed clandestinely upon their Arrival without Payment of Duty.  
 And several Ships and Vessels seized for the Commission of Offences of this kind having been released in Consequence of such Representations from the Owners: The Commissioners think it necessary to advertise, for the Information of all Persons whom it may concern, That upon the Detection and Discovery of any such Offences in future, the same will be prosecuted as the Law directs; so that it behoves the Owners to suppress the Custom of suffering the Seamen to take in private Ventures; and also to admonish the Masters to be punctual in taking an Account of their Cargoes, and to pay a strict Regard to their Oaths in reporting the same, as well at the Ports of their first Arrival, as the Ports of Entry in *North-America*.
