

BOSTON, June 8.

By Capt. Hall we hear that there were very great Comotions all over England; in London it is said that no less than 110,000 were assembled at one Time on Account of Mr. Wilkes's Place being assumed by Col. Luttrell: The whole County of Middlesex are about presenting a Petition to his Majesty, in which our Americans are particularly noticed. It is said much depends upon the Success of this Petition.

We hear that Orders have been received by the Packet for the 64th and 65th Regiments, with the Train of Artillery, to be removed from this Place to Halifax, and that they are to embark in about Ten Days. 'Tis also said that the 14th Regiment is soon to go to New-York, and that the 29th will be stationed at the Castle.

The Public may be assured that the following Intelligence comes from Gentlemen of Distinction (our Friends) on the other Side the Water, by the last Vessels from London, viz.

THEY write, That the Parliament remain fix'd in their Resolution not to repeal the Duty Acts this Session, and will rise the First of May.

We learn from the best Authority, that Orders were issued from Lord Hillsborough's Office, on or about the 10th of April, to Governor Bernard, directing him immediately to repair to London.

ANNAPOLIS, June 29.

Several of the Counties having before entered into Resolutions of Non-Importation of British Superfluities, and the Province, in general, being invited by the People of Anne-Arundel County, to request some Gentlemen from each County, to meet at this Place, on the 20th Instant, in order that a general Resolution of Non-Importation might be formed—There was accordingly a very full Meeting, at which, the following RESOLUTIONS were entered into; and it was agreed, that Twelve Copies should be printed and transmitted to each County, to be signed by the People, which, it is expected, will be done with great Readiness throughout the Province.

WE, the Subscribers, his Majesty's loyal and dutiful Subjects, the Merchants, Traders, Freeholders, Mechanics, and other Inhabitants of the Province of Maryland, seriously considering the present State and Condition of the Province, and being sensible, that there is a Necessity to agree upon such Measures, as may tend to discourage, and as much as may be, prevent the Use of foreign Luxuries and Superfluities, in the Consumption of which, we have heretofore too much indulged ourselves, to the great Detriment of our private Fortunes, and, in some Instances, to the Ruin of Families; and, to this End, to practise ourselves, and as much as possible, to promote, countenance, and encourage in others, a Habit of Temperance, Frugality, Oeconomy, and Industry; and considering also, that Measures of this Nature are more particularly necessary at this Time, as the Parliament of Great-Britain, by imposing Taxes upon many Articles imported hither from thence, and from other Parts beyond Sea, has left it less in our Power, than in Time past, to purchase and pay for the Manufactures of the Mother-Country; which Taxes, especially those imposed by a late Act of Parliament, laying Duties on Tea, Paper, Glass, &c. we are clearly convinced have been imposed contrary to the Spirit of our Constitution, and have a direct and manifest Tendency to deprive us, in the End, of all political Freedom, and reduce us to a State of Dependence, inconsistent with that Liberty we have rightfully enjoyed under the Government of his present most Sacred Majesty, (to whom we owe, acknowledge, and will always joyfully pay all due Obedience and Allegiance) and of his royal Predecessors, ever since the first Settlement of the Province, until of very late Time; have thought it necessary to unite, as nearly as our Circumstances will admit, with our Sister Colonies, in Resolutions for the Purpose aforesaid; and therefore, do hereby agree, and bind ourselves to, and with each other, by all the Ties and Obligations of Honour and Reputation, that we will strictly and faithfully observe, and conform to the following Resolutions:

FIRST, That we will not, at any Time hereafter, directly, or indirectly, import, or cause to be imported, any Manner of Goods, Merchandise, or Manufactures, which are, or shall hereafter be taxed by Act of Parliament, for the Purpose of raising a Revenue in America, (except Paper not exceeding Six Shillings per Ream, and except such Articles only, as Orders have been already sent for) but, that we will always consider such Taxation, in every Respect, as an absolute Prohibition to the Articles that are, or may be taxed.

SECONDLY, That we will not hereafter, directly or indirectly, during the Continuance of the aforesaid Act of Parliament, import, or cause to be imported, from Great-Britain, or any other Part of Europe, (except such Articles of the Produce, or Manufacture of Ireland, as may be immediately and legally brought from thence, and also, except all such Goods as Orders have been already sent for) any of the Goods herein after enumerated, to wit, Horses, Spirits, Wine, Cyder, Perry, Beer, Ale, Malt, Barley, Pease, Beef, Pork, Fish, Butter, Cheese, Tallow, Candles, Oil, except Salad-Oil, Fruit, Pickles, Confectionary, British refined Sugar, Mustard, Coffee, Pewter, Tin-Ware of all Kinds, whether plain or painted, Waiters, and all Kind of Japan-Ware, wrought Copper, wrought and cast Brass, and Bell-Metal, Watches, Clocks, Plate, and all other Gold and Silversmiths Work, Trinkets, and Jewellery of

THIRDLY, That we will not, during the Time aforesaid, import any Wines, of any Kind whatever, or purchase the same from any Person whatever, except such Wines as are already imported, or for which Orders are already sent.

FOURTHLY, That we will not kill, or suffer to be killed, or sell, or dispose to any Person, whom we have Reason to believe intends to kill, any Ewe Lamb that shall be yeaned before the First Day of May in any Year, during the Time aforesaid.

FIFTHLY, That we will not, directly, or indirectly, during the Time aforesaid, purchase, take up, or receive, on any Terms, or Conditions whatever, any of the Goods enumerated in the Second Resolution, that shall, or may be imported into this Province, contrary to the Intent and Design of these Resolutions, by any Person whatever, or consigned to any Factor, Agent, Manager, or Storekeeper here, by any Person residing in Great-Britain, or elsewhere; and if any such Goods shall be imported, we will not, upon any Consideration whatever, rent, or sell to, or permit any Way to be made Use of by any such Importer, his Agent, Factor, Manager, or Storekeeper, or any Person, on his, or their Behalf, any Store-House, or other House, or any Kind of Place whatever, belonging to us, respectively, for exposing to Sale, or even securing any such Goods, nor will we suffer any such to be put on Shore on our respective Properties.

SIXTHLY, That if any Person shall import, or endeavour to import, from Great-Britain, or any Part of Europe, any Goods whatever, contrary to the Spirit and Design of the foregoing Resolutions, or shall sell any Goods which he has now, or may hereafter have on Hand, or may import, on any other Terms than are herein expressed, we will not, at any Time hereafter, deal with any such Person, his Agent, Manager, Factor, or Storekeeper, for any Commodity whatever; and that such of us, as are, or may be Sellers of Goods, will not take any Advantage of the Scarcity of Goods that this Agreement may Occasion, but will sell such as we have now on Hand, or may hereafter import, or have for Sale, at the respective usual and accustomed Rates for Three Years last past.

SEVENTHLY, That we will not, during the Time aforesaid, import into this Province, any of the Goods above enumerated for Non-importation, in the Second Resolution, which have been, or shall be imported from Great-Britain, or some Part of Europe, from any Colony, or Province, which hath not entered, or shall not, within Two Months from the Date hereof, enter into Resolutions of Non-importation, nor will we purchase, take up, or receive, on any Terms, or Conditions whatever, any such Goods, from any Person, or Persons, that may import the same; nor will we purchase, take up, or receive, on any Terms, or Conditions, any of the said Goods, which may be imported from any Province, or Co-

lony, which has entered, or may enter into such Resolutions, unless a Certificate shall accompany such Goods, under the Hands of a Committee of Merchants (if any) of the Place from whence such Goods shall come, or if no such Committee, then under the Hands of at least Three of the principal Merchants there, who have entered into Resolutions of Non-importation, that such Goods were imported before such Resolution was entered into in such Place. And, that we will not purchase, take up, or receive, on any Terms, or Conditions whatever, after the Expiration of Six Months, from the Date hereof, from any Colony, or Province aforesaid, any of the said enumerated Articles, which have been, or shall be imported from Great-Britain.

EIGHTHLY, We, the Tradesmen and Manufacturers, do likewise promise, and agree, that we will not avail ourselves of the Scarcity of European Goods, proceeding from the Resolutions for Non-importation, to raise, or enhance the Prices of the different Articles, or Commodities, by us wrought up, or manufactured; but that we will sell and dispose of the same, at the usual and accustomed Rates we have done for these Three Years past.

LASTLY, That, if any Person, or Persons whatever, shall oppose, or contravene the above Resolutions, or act in Opposition to the true Spirit and Design thereof, we will consider him, or them, as Enemies to the Liberties of America, and treat them, on all Occasions, with the Contempt they deserve; provided that these Resolutions shall be binding on us, for, and during the Continuance of the before-mentioned Act of Parliament, unless a general Meeting of such Persons at Annapolis, as may, at any Time hereafter, be requested by the People of the several Counties in this Province, to meet, for the Purpose of considering the Expediency of dispensing with the said Resolutions, or any of them, not exceeding Four from each County, or a Majority of such of them as shall attend, shall determine otherwise.

To be SOLD, by the SUBSCRIBER, A VALUABLE Tract of LAND, in St. Mary's County, about One Mile from Leonard-Town, on Wednesday the 2d of August next, at the House of Timothy Bowes. The Plantation contains between Four and Five Hundred Acres of Land, good for either Corn or Tobacco, is well timbered, and has about Thirty Acres cleared, of good Meadow Ground, and a considerable Quantity of Ground uncleared, adjoining thereto, very proper for Meadow; its Situation is high, and extremely pleasant, commanding a Prospect of Britain's Bay, to which the Land adjoins. There is likewise to be sold with the Plantation, a very valuable GRIST-MILL, convenient to the Bay, which has for a long Time had considerable Custom, and might, from its Situation, be rendered much more valuable than at present: The Improvements are in very good Repair, as is the Plantation. The Title indisputable. The whole may be entered upon at Christmas next. Any Person inclinable to purchase before the Time fix'd, may, by applying to the Subscriber, be informed of the Terms, and take a View of the Premises. JOHN HEARD.
