NEW-YORK, June 29.

Extract of a Letter from Philadelphia, June 27 "A Ship from Brittol, is arrived in Maryland, by which we have the following Letter from a Gentleman to a Merchant in this City, dated Briftol, April 17.
"I find some People here are evading the Resolution

on of your Merchants. Large Quantities of Goods now are shipping for Maryland, which are intended for your Place and New-York."

Extract of a Letter from Boston, dated June 19.

"We have a firong Report, that a French Fleet has been feen on the Coaft. Perhaps either Quebec or Haifax may be their Deitination. The 65th Regiment embarks To-morrow for the last Place, and the ment embarks To-morrow for the laft Place, and the 64th is foon to follow. Our Affembly have now been fitting near Three Weeks, and have yet done nothing. They are now adjourned to Cambridge, where befides that they are not infulted by the A pearance of a Military Force, they manifest their Adherence to their conditiutional Rights, and do not even in Appearance acquietce under the degrading Encroachments that have been made upon them."

Captain Hamilton, in 7 Weeks from Cadiz, informs us, that a few Days before he failed from thence.

us, that a few Days before he failed from thence, A vice was received there, that the French had actually taken Two English Vessels, bound from London for Corfica, with Necessaries for the brave PAOLI. and fent them as Prizes into some French Port in

PHILADELPHIA.

A Letter from London fays, " It is reported that the Earls Chatham and Temple have been offered the Management of Affairs, but refused it, until such Time as the present Ministry had settled some Matters they did not chuse to have any Hand in."

Since our last several People have died suddenly, in, and near this City, occasioned by their drinking too

freely of cold Water.

By Captain Adams, in 10 Weeks from Barcelona, we learn, that the Emperor of Morocco has agreed to furnish the Garrison of Gibraltar with live Stock, &c. and trade with the English, on the same Terms as for-merly; which Trade, for some Time past, had been stopt, on Account of his demanding double Duties.

ExtraH of a Letter from Lifton, dated April 21.

"Indian Corn is now in the greatest Scarcity, and a Famine is apprehended in the Neighbourhood of Vianna, and particularly in the Province of Galicia; and as an additional Misfortune, we had lately such Storms of Hail and Rain, the like was not seen by the oldest Inhabitants; which caused Inundations in several Places, and swept away several Villages, Granaries, Cattle, and People, whose Bodies lay floating in this River, which came down so rapid, and brought with it such a surprising Quantity of Republic that with it such a surprizing Quantity of Reptiles, that both Shores are filled with them, and many are em-ployed to this Hour killing Snakes, Vipers, and Toads, which seems to be one of the Curses of Egypt which has reached this unhappy Place, and even this does not awaken our Governors.'
